Maison André Legault dit Deslauriers - Magnifique manoir en pierre qui porte bien son nom, construit vers 1820 par André Legault dit Deslauriers, au coeur de l'emplacement présumé de l'ancien Fort de La Présentation, comme sa voisine 22. Il appartint un temps à la Compagnie de la Baie d'Hudson qui l'utilisa comme poste de traite et aurait été occupé un certain temps par Lord Strathcona qui fut le premier Commodore honoraire du Royal St. Lawrence Yacht Club 25 de 1894 à 1913. Cette maison, admirablement restaurée et entretenue, fait la fierté de Dorval.

Modified Register for Noel Legault dit Deslauriers

First Generation

1. **Noel Legault dit Deslauriers** was born in 1673 in d'Irvillac, Cournouailles, Betagne, France. He was christened in 1673 in d'Irvillac, Cournouailles, Betagne,France. He died on 10 Apr 1747 in Pointe Claire Ile de Montreal. He was buried on 11 Apr 1747 in Ste - Anges de Lachine Ile de Montreal.

Noel was born in Irvillac, ar. Brest, eveche Cornouailles, Bretagne (Finistere). He was pure Celtic and a Breton; his descendants still carry a bit of that blood.
" Noel had a taste for adventure, but he also hoped to improve his condition of life. Noel had never signed a contract and always remarked that he did not know how to read or write."
The ' La Verrier de Rousson's Company" was stationed in Villemarie at the end of the summer in 1697, Noel Le Goff (Legault) was one of the soldiers in that Company. "

Everyone soon learned of Noel's courage and wanted him to be decorated for his bravery. However, an acknowledgement by the King in France would take at least a year. So the soldiers decided that they would remedy the situation quickly. During an unoffical ceremony, such as was often seen in the army, they granted him the laurels of victory to the sound of fifes and drums. Laurel leaves are called ' des lauriers ' in French, and Noel's decoration was to have permanent standing in that they were added to his name as 'dit Deslauriers'.

' Noel Legault prroposed marriage to the widow Gloria (Marie Benard). The three banns were dispensed with at the church of Notre Dame in Montreal . The notary Raimbault drew up their marriage contract on November 17. The next day November 18, 1698, there was a solumn blessing of their union by the Sulpicien priest Rene Charles De Breslay. The witnessed recorded in the registery were :- Francois Jerome dit Latour, sergeant in the Company of Le Verrier, Francois Legantier Sieur de LaVallee, a non-commissioned officer, Antoine Tesserot, carpenter from Lachine, Pierre Chantereau respected sexton and Francis Le Verrier, Sieur de Rousson, in person. Francois a native of Paris about 1656, was on the roles of the first company of the King's Musketeers In 1675, then a first lieutenant in the Regiment of La Vallette in 1682, and on March 17, 1687, became captain of the naval troops (marines)."

In 1731 Noel's holdings in Pointe Claire consisted of a wood house (4 x 30), barn and stable and 47 acres under culture, 6 acres of meadow and 67 acres of forest for a total of 120 acres. Noel's land was located 88 acres away from the church of Saint Joachim in Pointe Claire.
Noel Legault et Marie Besnard fondent leur foyer dix jours avant le deces de Frontenac. C'est en effect le 28 novembre 1698 que le plus grand de tous les representants du roi en Nouvelle France decede apres une breve maladie. D'autres le considereront comme un orgue[lleux s'opposant a l'intendant et a l'eveque.

Noel married **Marie Besnard dit Lajeunesse** daughter of Mathurin Besnard dit Lajeunesse and Marguerite Viard on 16 Nov 1698 in Notre Dame de Ville Marie. Marie was born on 7 May 1679 in Fort Chambly, Quebec. She was christened on 10 May 1679 in St-

Pierre, Sorel, Quebec. She died on 3 Jun 1760 in Pointe Claire, Ile de Montreal. She was buried on 3 Jun 1760 in St. Joachim, Pointe Claire, Ile de Montreal.

" On May 10, 1678 at Sorel, Father Benoit Duplein baptized Marie Benard, daughter of Mathurin Benard dit Lajeunesse, and of Margaret Viard. Jean Poirer, former soldier in the Company of Chambly, and Marie Langlois, his wife, were the infant's godparents. At the age of 17, Marie met Francois Gloria. They were married at Notre Dame de Nontreal on October 31, 1695, in the presence of the Sulpicien, Michel Caille. After the birth of his second son, Pierre in 1698, who like the first did not survive, Francois disappeared and the registries do not mention why or how."

" Our French Canadian Ancestors "

Volume XXV p. 148

" The summer of 1698 has gone. It is now nearly six months that Francois Gloria is presumed dead. Marie passed the summer living poorly, trying to survive with her son Pierre. The situation is difficult. A few weeks before the disappearance of Francois, Noel had returned to the ' Compagnie Franche de la Marine', in Villemarie. Marie often wondered if she would see him again.

The absence of a husband and her relations with Noel during the last winter, caused her to wonder. During the summer and fall Noel, while on leave, would wander over to the shack on the Saint Pierre river.

This particular year, the military excercises ended in November. Noel returned uninjured. It now was the time to stop and settle down. Noel decided to marry Marie. Usually a wedding engagement required the publication of three banns in the church. Noel and Marie made a request to the Superior of the St Sulpice Seminary, Dollier Casson, to exempt them from the required three banns. Noel paid the customary 75 livres required to obtain the exemption."

On July 30 1729, Rene bought 3 x 25 acres of land from Charles Duquet of Chateaugay and Catherine Mallet, his wife. The land was located in the Chateauguay Seignory and the price paid was 150 livres.

Rene did not live long enough to pay for it. His purchase of the land brfore the notary is the last known offical contract. Did he work on his land and become a victiim of an Indian raid ? Perhaps he drowned when crossing Lake Saint Louis. All assumptions are possible.

" Le 29 avril 1924 , le quotidien La Presse de Montreal, Annoncait une tragedie epouvantable dans laquelle un octogenaire et sa femme sont brules vifs a St-Isidore-de-Prescott, en Ontario. Ce sont monsieur et madame Alexandre Legault dit Deslauriers, un vieillard de 82 ans et sa femme Marguerite Leger de 75 ans. C'est vers 5 heures du matin que des voisins ont vu monter une fumee du toit de la maison Legault. Peu apres, l'incendie prenait des proportions incontrolables et detruisit completement leur maison. Peu s'en fallut que le drame fut encore plus atroce. Leur fille, Alexandrina Brunet, mere de Henri Brunet visitait son pere aves ses cinq enfants, la veille meme de la tragedie.

Alexandre Legault dit Deslauriers est ne le 14 decembre 1842 a Ste Martine au Quebec. Il etait le fils de Augustin Legault dit Deslauriers et de Adelaide Primeau. Alexandre avait une terre dans la concession 18 de St-Isidore-de-Prescott.

En Septembre 1849, une societe de colonisation prend naissance dans le diocese d'Ottawa dans le but d'attirer des colons de la langue francaise a s' etablir dans les comtes entre Rigaud et Bytown. Un advantage offret aux colons etait de coupe du bois dans les chantiers de la vallee pendant la saison d'hiver. Au ptrintemps, ils pouvvaient se liivrer au defrichement et a la culture de la terre. Le transfert du siege du gouvernementfederal de Quebec a Ottawa, en 1886,fut unn autre facteur importantdans l'accroissement du nombre de Canadiens francais dans les comtes de Prescott et de Russell.

"il (Felix) epousait ma mere Albertha Legault. Elle travaillait chez son frere Alcide a Saint Henri et, le dimanche, elle venait voir son frere Joseph, a la maison paternelle du rang des Sources, tout une trotte. Mon pere etant veuf, a couru un bon dimanche, au chemin, voyant venir Albertha a pied. Comme il avait sept enfants dont un bebe naissant, il lui demande de venir prendre soin de la maison et de la marier, car ce n'etait pas de mise d'avoir une femme etrangere dans la maison sans etre mere. Ma mere prenant un peu en pitie et sans trop realiser dans quoi elle s'engageait, lui a repondu rapidement oui. Elle l'a epouse. J'ai demande a ma mere un jour, si elle aregrette son geste et elle m'a repondu qu'elle recommencerait s'il le fallait mais dans les memes conditiions."
