## INTRODUCTION

This book contains the marriages performed at Our Lady of Lourdes in Skowhegan, Me and at St. Peter in Bingham, Me. Each entry gives the names of the spouses and of their parents and the date of the wedding. I have added the date of baptism and the name of the church and of the city where it took place or just the name of the city where there is only one church in the city.

Also I have added, when the spouses were not of Skowhegan or Bingham the name of the city where they were from at the time of the wedding.

So this book shows us where the spouses were from at birth and where they were married and where they were living at the time of the wedding.
