## INTRODUCTION

Saint Anne Catholic Church was the first French parish in the city of Fall River, Massachusetts. It was founded in 1869. By 1874, there were approximately 250 French-Canadian and 40 Irish families in the Flint Village section of the city. Because the roads were poor, it was a long walk to Ste. Anne's and Ste. Anne's was already too small. The Canadians asked that a second French parish be authorized. In July, Notre-Dame de Lourdes was founded. It was named after the apparitions of the Blessed Virgin at Lourdes, France in 1858. The first pastor was Rev. Pierre Jean-Baptiste Bedard from the Diocese of Montreal, PQ.

The first church was a 45 by 110 foot wooden church. It was located on what is now St. Joseph Street. It was built on a site facing today's Notre-Dame Street. By 1876, the first parish school and a convent-boarding school had been built and in 1877 the Religious of Jesus and Mary arrived from Quebec to oversee the education of the children of the parish.

But in 1883, there was trouble in the air. Rev. Bedard feared that Bishop Hendricken was bent on having Irish pastors head French parishes. Because of this, Rev. Bedard established the "Corporation Notre-Dame" which had legal control of land, buildings and even private homes all used to promote education and religious instruction. The corporation was governed by nine lay directors and was completely independent of the Bishop.

Rev. Bedard worked very hard establishing Notre-Dame to the point where his health was effected. In addition he had a burning French-Canadian patriotism which caused friction between himself and Bishop Hendricken. This too, had an effect on his health. He died on August 24, 1884 at the age of 43.

Father E. E. Norbert was placed in temporary charge of Notre-Dame but he was not comfortable with the great responsibility and stayed only a few weeks. Then began a time of great turmoil at the parish. Bishop Hendriken appointed, in succession, three Irish priests to head Notre-Dame. They were Rev. P. S. McGee, Rev. Owen F. Clark and Rev. P. H. Ferron. The parishioners were very unhappy and the priests felt the same way.

When Rev. McGee was named pastor, a delegation met with Bishop Hendriken to emphasize the desire of the parishioners to be served by priests of their own nationality. The Bishop was willing to name a French priest but only as assistant to Father McGee. The upset parishioners appealed to Pope Leo XIII. In the meantime, Father McGee endured ugly and violent protests by the

French-Canadians and resigned. Rev. Clark also met determined opposition and repeatedly asked the bishop to relieve him.

In February of 1885 Bishop Hendriken ordered Notre-Dame closed. No masses would be served there for the next eight months! Finally, the bishop himself came to Notre-Dame for two weeks in succession to offer mass. He brought with him Rev. Ferron who would be the third Irish pastor. In the meantime, Rome handed down a decision that was favorable to the parishioners. It said basically that although there was no strict right of the parishioners to be served only by French-Canadian priests, they should be thus served as much as possible.

In December of 1885, Rev. J. M. Laflamme, an experienced pastor, arrived from Canada. He was to assist Father Ferron with the understanding that he would shortly become pastor of Notre-Dame. He assumed that post on March 17, 1886. Father Ferron was removed and Father Payan became the new assistant. After 18 months, peace was returned to the parish.

Just as a side note, Bishop Hendriken died in June of 1886. He was replaced by Bishop Matthew Harkins who was sympathetic to the French-Canadians. He quickly returned Ste. Anne's Parish to French control.

By 1888, the Parish Census had the following statistics to report: 900 families; 5000 parishioners, 600 children in parish schools; 3400 weekly communions. Notre-Dame had grown quickly! In September of 1888, Father Laflamme decided to return to Canada because of questionable health. He was replaced in October by Rev. Jean-Alfred Prevost from Sacred Heart Church in New Bedford, Massachusetts.

On May 30, 1891, the cornerstone of the new Notre-Dame church was blessed. On November 12, 1893, a fire of unknown origin destroyed the old church. (This would not be the last time the parish experienced loss by fire!) Until Christmas, masses were celebrated in a small chapel at the old orphanage, in the basement of Immaculate Conception Church and at the home of Mr. Amiot. But at Christmas and continuing for a full year, parishioners worshipped in a great tent church - a tent as large as the first church itself. This tent was freezing in the winter and very hot during the summer but the devoted parishioners remained steadfast in their faith.

In 1894, a textile mill strike impoverished many parishioners and threatened to stop work on the new church. By Christmas, however, the basement was ready and services in the great tent came to an end.

By 1901, there were: 1830 families; 10,860 parishioners; 454 baptisms; 102 weddings; and 154 deaths (94 of them children). Work continued on the church which was still five years away from completion.

Finally, the church was dedicated on November 29, 1906. It was a most beautiful and impressive building. Located on a site among the highest in the city, it had twin pagoda-like steeples that towered 310 feet above the city. It could be seen by travelers still miles away. The church itself could easily seat 1600 people and had a ceiling 80 feet high. It is a tribute to the sacrifices made by the French-Canadians for the love of God and their native language that despite the building of this awe-inspiring church, a very large, first-rate school, a massive orphanage and a regal rectory, the outstanding parish debt stood at only \$100,000.00.

The parish continued to grow. Many activities were related to the church and the Census lists the following numbers for 1921: 2045 families; 9550 parishioners; 326 baptisms; 108 marriages; 114 deaths (33 children.) Msgr. Prevost died on September 16, 1925. He had been the pastor at Notre-Dame for 37 years. Mills closed. Stores closed. Even City Hall closed for the funeral of this most dedicated and pious man. There were two hundred cars in his funeral cortege and thousands of sorrowing people lined his funeral route.

Rev. Louis-Damase Robert came to replace Msgr. Prevost. He was followed by Rev. Philius Jalbert, Msgr. Alfred Bonneau, Msgr. Reginald Barrette, Msgr. Alfred Gendreau, Father Ernest E. Blais, Rev. Richard W. Beaulieu and Rev. Chretien.

Events at the church ebbed and flowed for the next number of years. English Masses were introduced. Church schools closed. But the parishioners of Notre-Dame continue their active worship of their God. Then In 1981 a decision was made to renovate the church. Father Blais undertook a \$1,000,000.00 appeal to present and former parishioners, as well as to other friends, to pay for the restoration of the upper church. The drive was officially kicked off on February 28, 1982. Concerts and various fund raisers were held and enthusiastically embraced. In May, copper gutters were being repaired with torches when the unimaginable happened. The church was accidentally set on fire and fanned by a stiff wind. The beautiful church was reduced to ashes and a wall of flame pushed out across Bedard Street to destroy a dozen three-decker homes, leaving only the foundations to show where buildings once stood. Homes and businesses were also destroyed on Pleasant Street before the fire was stopped. Property damage was estimated at \$13,000,000.00 but fortunately - **no lives were lost.**

Notre-Dame Church was gone but the spirit of the parishioners was not! On May 20, 1984 the official ground breaking for the new Notre-Dame took place and the first Mass was celebrated by Bishop Cronin on June 1, 1986. The church was officially dedicated on Dec 13, 1987.

A.F.G.S. is proud to present this latest edition in its growing collection of Franco-American resources. We have made every effort to present complete and accurate information. Various spellings should be checked when looking for a name. Records which were incomplete were checked with the many other records at our society including marriage repertoires, baptismal records, funeral home records, cemetery records and when possible, City Hall. Keep in mind that the earliest records were written in Latin. Check various spellings.

We extend a thank-you to: Madeleine St. Pierre who obtained permission for us to copy the records; Rev. Richard Chretien who gave permission for the records to be copied; Patricia Bamford, Norman Belanger, David Bienvenue, Robert Burkhart, Janice Burkhart, Normand Chaunt, Rita Lapointe, Madeleine St. Pierre and Louis Yokel, for copying the records; David Coutu who typed the records on his computer; Lucile McDonald who did the many edits of the manuscript; David Coutu who made the corrections and printed the final draft; Janice Burkhart who completed the final edit and oversaw the project; Lucile McDonald and Paul Delisle who printed the books; Lucile McDonald and Lawrence Choiniere who collated and bound the books; and all the society members who volunteered their time to help complete the project. Every effort has been made to provide a clear, accurate tool for your use. Constructive criticism, additions and/or deletions may be sent to:

## WHAT IS THE AMERICAN-FRENCH GENEALOGICAL SOCIETY?

The American-French Genealogical Society was formed in February of 1978 as a non-profit genealogical and historical society devoted to people of French Canadian extraction. Its purpose is to study and preserve the rich Franco-American heritage by assisting its members in discovering their ancestors and the daily events that shaped their lives.

The Society is actively involved in extracting, collating and publishing Franco-American vital statistics, parish registers, burial records, and other data consistent with the preservation of the Franco-American culture. From time to time French lessons are given. The Society is also actively involved with the National Park Museum which has been established in Woonsocket and has cooperated in several projects with the Park staff. In addition the Society participates, along with 24 other genealogical societies, in the very successful New England Regional Genealogical Conference which is held every 18 months.

A.F.G.S. offers many other attractions. Weekly research sessions are held at our library in Woonsocket, RI each Monday from 12 pm to 5 pm; Tuesday from 1 pm to 9 pm; and on Saturdays 10 am to 4 pm from September to June. An annual business meeting and election of officers is held each October. A semi-annual publication, "JE ME SOUVIENS", (written in English), is sent to each society member. This publication is 100 plus pages and is very informative. The Society also publishes six newsletters, "AFGnewS", each year.

The A.F.G.S. library has close to 10,000 volumes devoted to history, family history, biography, reference, and birth, marriage and death statistics. A Research Committee comprised of experienced researchers is available to assist members who are unable to conduct their own research. The Loiselle, Rivest, Fabien and Forget Files are available to assist in the search for those particularly difficult marriages that may be eluding you. The Society also owns all four Drouin collections as well as the prestigious and unique Drouin Institute film which comprises all of the births, marriages and deaths recorded in Quebec and other French speaking parts of Canada through the year 1940. In addition, assorted microfilm from Canada, Vermont, Rhode Island, New Hampshire and Massachusetts are available for use in the library. A new Lending Library service makes valuable resources available to members living far from Woonsocket and the library. A large collection of Franco-American marriage notices, anniversary announcements and obituaries have been gathered from across the country. (There are also projects that members across the country are helping the society to complete.)
