Our Lady of Perpetual Help

Holyoke, Massachusetts

1890 - 1999

In 1890, Eight-Hundred French-speaking families from Precious Blood Parish were assigned by Bishop Patrick T. **O'Reilly**, first bishop of Springfield, to the new parish of *Notre Dame du Perpétuel Secours* in the northern section of Holyoke. Father Charles-Edouard **Brunault** was the first pastor. The first parish Mass was celebrated on May 25, 1890. Rev. **Brunault** was a man of fine attainments, great energy and sound ideas.

He gathered his people for worship in Temperance Hall for the first time on May 25, 1890. Immediately he planned a building to serve as a church, school and convent. It was completed in 1891, and has been a home of much work, well done for God and for country, for Father **Brunault** had a personality and an eloquence that enabled him to inspire his people to act nobly while they labored for eternity.

In 1895 Rev. **Brunault** contracted with the firm of **Casavant** Bros. of St. Hyacinthe, Québec, to build and install an organ in the original church building on Prospect Street. This Opus 63 mechanical playing organ with two keyboards and 18 sets of pipes was the first **Casavant** organ transported to the United States.

In 1896 Father **Brunault** remodeled the "**McCoy** homestead" into a commodious rectory. He also

provided, in South Hadley Falls, a resting place for the dead of the parish. He left Holyoke, October 5, 1904, and went to Canada to labor in the diocese of his brothers, the bishop of Nicolet.

His successor in the Church of Perpetual Help was Rev. Joseph **Marchand** who had the qualities of a leader. Under his careful management the parish steadily advanced. In 1922 groundbreaking took place for the new church on Chestnut Street between Hampshire and Cabot Streets. The **Casavant** organ was moved to the new church.

In 1938 Father **Marchand** died and Father Pierre H. **Gauthier** was named pastor. Father **Gauthier** was to celebrate his 50th anniversary of ordination in 1958 and pass away in 1960 when Father Anthony **Menard** was named temporary administrator until Father Antonio **Dufault** was named pastor in 1961.

At the death of Father **Dufault** in 1967, Monsignor Rosario L.U. **Montcalm** was named pastor. In 1977 the organ rebuilding began. In 1984 Msgr. **Montcalm** retired and Father Roland **Galipeau** was named pastor of both Precious Blood and Our Lady of Perpetual Help Parishes. In 1985, Fr. J. Victor **Carrier** was named pastor when Father **Galipeau** was reassigned.

With the pride of their French-Canadian heritage, our ancestors built a strong foundation on faith, hard work, humor and single-mindedness to become a force within the community of Holyoke that would be felt for generations to come. Over the years, the demographic influences changed the physical complexion of the parish, but the spirit remained that of the founding ancestors.

In 1990, pastor J. Victor **Carrier** wrote in the 100th anniversary booklet: Of the four buildings that comprise the parish, all still remain, giving a tangible sign of strong faith and service to the community.”

With great pride OLPH lovingly embraced its mother parish and its people when Precious Blood had to be closed. The mother that gave birth to the daughter, now comfortably rests in the warm embrace of her child. Life has gone full circle. *A nos ancêtres; Merci pour votre courage!* [To our ancestors, thank you for your courage].

Nine years later, Sunday, August 29, 1999, the Rev. J. **Lessard** was serving his first day as the church's pastor when a fire struck. The fire started in a vacant building on Elm Street at about 7 p.m. before spreading to Our Lady of Perpetual Help Church. Embers shot skyward from the burning church steeple and some of them touched off a small fire at a mill building a half-mile away. He'd recently moved from a position as assistant pastor at a church in Springfield. "This was my promotion," he said as he watched his new church burn to the ground in this city.

FROM THE PUBLISHER

Our Lady of Perpetual Help of Holyoke, MA has been closed since 1991. Fr. Jean-Marie **Lessard-Thibodeau** contacted Pauline **Genest Côté**, Publications Committee Chair at ACGS. We were asked to copy their records and produce an alphabetical index.

This is the second of five churches we've been asked to do in the Holyoke/ Springfield area. Fr. **Lessard-Thibodeau** is the pastor of the newly formed Our Lady of Guadalupe housed in the former Sacred Heart parish in Holyoke, and the keeper of the records for Precious Blood, Our Lady of Perpetual Help, and Sacred Heart. We are also grateful to both secretaries, Michele **Therien Gelinas** and Kathy **Murphy** who put up with us for six weeks when we took over their copiers for hours on end.

David **Bonitatibus** and Kathy **Pasko** organized the copying teams. Much care must be taken when photocopying not to damage the records while scrutinizing each copy to be sure we have captured all the pertinent information. We are grateful to all the volunteers who worked long, tedious hours in the production of the *répertoire* you are holding.

Photo Copying:

THIS BOOK AND ITS CONTENTS

This *répertoire* contains 3,403 marriages that took place from Jun 1890 - Jul 1991 at Our Lady of Perpetual Help Church. As is our policy when producing a marriage *répertoire*, we duplicate our database and reverse the order of the data in each record so that the primary person is the bride. These two databases are merged and sorted alphabetically. This, in effect, puts family groupings together and eliminates having to index the brides under their maiden name in the back of the book.

The surname of the father is not repeated when listing parents except in the case where women have been married more than once. If the maiden name is known, an asterisk is placed after the father's given name indicating that more information is noted at the end of the record. If there is doubt as to which name is the maiden name and which name is a surname from a previous marriage, we enter the record in its original form leaving the researcher to determine a person's name at birth.
