Sacred Heart Church Holyoke, Massachusetts

In 1878 Sacred Heart was separated from St. Jerome's. Its church was already in the process of being constructed. The first pastor, Rev. James F. **Sheehan**, who had been the curate at St. Joseph's in Pittsfield, was announced on May 30, 1878. Unfortunately for this new parish, Father Sheehan's health declined rapidly and on April 26, 1880 Bishop O'Reilly presided at the Requiem Mass for Father Sheehan who died at the age 31 years 7 months.

Rev. Patrick. B. **Phelan** came in 1880 and remained in charge until his death, nearly forty years later. His long years of service resulted in a splendid Gothic church, school, school hall, opened in 1888, and large convent and rectory. This cultured, polished gentleman worked his way deeply into the affections of his people, and left one of the great parishes of our diocese. He was later praised as "one of the strong and vigorous factors in the city's progress."

When Reverend **Phelan** arrived, he found a parish burdened with a huge debt. The energetic pastor labored so hard and managed so well that he was encouraged to complete the church, which at that time included only a basement. Work on the upper part began in the spring of 1881 and was dedicated, minus a steeple, June 3, 1883.

In September 1887, the seven-room school was opened. Father **Phelan** was able to engage the Sisters of St. Joseph from Flushing, NY who planted deeply and firmly in the hearts of the pupils the foundation of true character by instructing them in the principles of Christian faith. Their legacy lived on for generations.

In the 47th year of priesthood, Father **Phelan** became seriously ill and went to his reward on March 12, 1919. Burial was in Calvary cemetery which he had established 36 years before.

His successor, Rt. Rev. Msgr. William E. **Foley**, was a native of West Springfield. In his youth, Monsignor Foley had served the late Rev. Father **Phelan** as an altar boy. He has proven himself an exceptional churchman in all of his assignments since his first pastorate at Williamstown, Mass. to this post of new achievement. Under his pastoral direction, Sacred Heart thrived. He added a new gem to the parish group - a community hall and gymnasium, peerless among such buildings, and furnished with an exquisite taste which has not lessened its practical utility. Builder, organizer and inspiration to any work of God's people, Monsignor **Foley** received the purple, on the recommendation of Bishop **O'Leary** in 1929.

Monsignor **Foley** died on January 23, 1939 at the age of 75 after being pastor of Sacred Heart Church for 20 years. His death came as a shock not only to the parish but to the community as a whole. He is buried in St. Thomas cemetery, Mittineague, West Springfield, Massachusetts.

The Reverend James F. **McGillicuddy** became the fourth pastor of Sacred Heart Church in July of 1939. He was also a native of this area being born in 1872 in Springfield. He graduated from Holy Cross College in Worcester and entered the seminary at Montreal, Canada where he acquired a good knowledge of the French language. Following his ordination he was sent to Rome to pursue studies in Canon Law.

The death of Monsignor William **Foley** in January 1939 took Reverend **McGillicuddy** from his 22-year pastorate at St. Joseph's in North Brookfield. Immediately he plunged into the work of renovating the parish properties – convent, schools, church, and rectory. His was a busy program for a man approaching his 70th year. In his 77th year, in February 1949, death came to him as it comes to all men.

In July 1949, Reverend James J. **Fitzgibbon** became the fifth pastor of Sacred Heart. Born in County Limerick, Ireland, he came to Holy Rosary parish in Holyoke as a boy where he attended public school until Holy Rosary opened its High School. He went on to seminary in Montreal and was ordained in December of 1914. He served many parishes well in the western part of Massachusetts with only brief interruption to serve as Chaplain at Fort Devens in Ayer, MA during World War I.

His assignment at Sacred Heart brought him back to his native city. It was the third oldest parish in Holyoke. His predecessor had done very much to update and modernize the church but still more work needed to be done. With renewed energy he made major repairs in the convent, school, and sanctuary of the upper Church in three years prior to the Diamond Jubilee Anniversary celebration in 1953. In November 1954, Pope Pius XII elevated Fr. **Fitzgibbons** to Right Reverend Monsignor. He continued to serve the parish, the diocese and the civic community until his death on April 18, 1968.

Bishop Christopher J. Weldon appointed Rev. Thomas O'Malley as the sixth pastor of Sacred Heart. Although he was pastor for a short time 1968 – 1971, he made renovations in the rectory, the lower Church along with the exterior of the Church, and continued to oversee all the buildings, especially the school.

Succeeding Fr. O'Malley as pastor was Rev. William J. O'Shea who served for almost five years. Fr. O'Shea constantly sought to instruct the people of Sacred Heart concerning the liturgical changes within the church and was instrumental in implementing the decrees of the second Vatican Council.

In October 1975 Rev. Edward J. Keyes assumed pastoral care for the parishioners Sacred Heart Church until 1981.

As in the city of Holyoke, changes within Sacred Heart occurred. In 1999 the registers of Sacred Heart parish were closed and the new parish became known as Our Lady of Guadalupe

FROM THE PUBLISHER

Permission to copy all of Sacred Heart, Holyoke, MA parish baptism records was granted by Rev. Jean-Marie **Lessard-Thibobea**, pastor. This parish closed in 2001, so all records are now stored at Our Lady of Guadalupe Parish in Holyoke, MA.

Copying the records is the most critical step in the process and requires many hours to complete because some of the early records are fragile making it difficult to handle them. The parish records were copied by Michelle Therien **Gingras**, with the helpful cooperation of Kathy **Murphy**, secretary.

We are grateful to all the volunteers who worked long, tedious hours to produce the repertoire you are holding. As you can see below, there are several phases of production that go into the making of a repertoire.

THIS BOOK AND ITS CONTENTS

This *répertoire* contains 18,581 baptisms that took place from January 7, 1877 to February 11, 2001.

Our policy when producing a baptism *répertoire* is to extract as much genealogical information as possible from these records. Some records have very little information and others are brimming with genealogical data. It is not our policy to second guess a pastor's intent 100 years ago. When in doubt, we enter the record as we see it and leave the decision of usefulness to the researcher.

It is also our practice to enter the data as it appears in the original document, however, if there are discrepancies that cannot be resolved as a transposition or typographical error, the researcher is encouraged to contact the parish priest to ask for permission to see the original documents. If, with all our data entry and proofreading experience, information cannot be deciphered, we leave the final choice to the user of the information.
