## INTRODUCTION

Bellingham, Massachusetts is located in Southeastern Massachusetts and is bordered by Franklin and Wrentham on the east; Woonsocket, RI, on the south; Blackstone, Mendon and Hopedale on the west; and Milford and Medway on the north.

Although settled since 1719, the town has never experienced any prolonged periods of intensive industrial or commercial development. The town evolved from agricultural village to rural small town and to bedroom suburb without becoming an important economic center.

This pattern is now changing. There has been a dramatic upsurge in business activity some of which can be attributed to Route I-495. The town is now prepared for and very interested in economic growth.

A.F.G.S. is proud to present this latest edition in its growing collection of death records. We have made every effort to present complete and accurate information. These records were taken from information in Bellingham Town Reports. Additions were made from various church records, funeral home records and in some cases from Town Hall records. It is important for the researcher to remember to check various spellings when looking for a name when using this repertoire. English speaking Town Clerks may have recorded various spelling variations when recording non-english names. We extend a thank-you to: Donald Fluette who provided us with copies of the Town Reports; Paul Godin and Janice Burkhart who typed the repertoire and the many revisions; Lucile McDonald who did the many edits of the manuscript; Janice Burkhart who completed the final edit and oversaw the project; and Lucile McDonald, Lawrence Choiniere and Roland Bouliane who bound the book. The Library Committee also wishes to acknowledge the Board of Directors for their support of this project. Every effort has been made to provide a clear, accurate tool for your use. Constructive criticism, additions and/or deletions may be sent to:

## WHAT IS THE AMERICAN-FRENCH GENEALOGICAL SOCIETY?

The American-French Genealogical Society was formed in February of 1978 as a non-profit genealogical and historical society devoted to people of French Canadian extraction. Its purpose is to study and preserve the rich Franco-American heritage by assisting its members in discovering their ancestors and the daily events that shaped their lives.

The Society is actively involved in extracting, collating and publishing Franco-American vital statistics, parish registers, burial records, and other data consistent with the preservation of the Franco-American culture. From time to time French lessons are given. The Society is also actively involved with the National Park Museum which has been established in Woonsocket and has cooperated in several projects with the Park staff. In addition the Society participates, along with 24 other genealogical societies, in the very successful New England Regional Genealogical Conference which is held every 18 months.

A.F.G.S. offers many other attractions. Weekly research sessions are held at our library in Woonsocket, RI each Monday from 12 pm to 5 pm; Tuesday from 1 pm to 10 pm; and on the first and third Saturdays from September to June. An annual business meeting and election of officers is held each October. A semi-annual publication, "JE ME SOUVIENS", (written in English), is sent to each society member. This publication is 100 plus pages and is very informative. The Society also publishes six newsletters, "AFGnews", each year.

The A.F.G.S. library has close to 10,000 volumes devoted to history, family history, biography, reference, and birth, marriage and death statistics. A Research Committee comprised of experienced researchers is available to assist members who are unable to conduct their own research. The Loiselle, Rivest, Fabien and Forget Files are available to assist in the search for those particularly difficult marriages that may be eluding you. The Society also owns all four Drouin collections as well as the prestigious and unique Drouin Institute film which comprises all of the births, marriages and deaths recorded in Quebec and other French speaking parts of Canada through the year 1940. In addition, assorted microfilm from Canada, Vermont, Rhode Island, New Hampshire and Massachusetts are available for use in the library. A new Lending Library service makes valuable resources available to members living far from Woonsocket and the library. A large collection of Franco-American marriage notices, anniversary announcements and obituaries have been gathered from across the country. (There are also projects that members across the country are helping the society to complete.)
