INTRODUCTION

The Parish of St. Paul is located in two states - Massachusetts and Rhode Island! Most of the church is located in Blackstone, Massachusetts (Diocese of Worcester) but the left front door and a small part of the church are located in North Smithfield, Rhode Island (Diocese of Providence).

Welcome Farnum, who owned several mills in Blackstone, had many skilled weavers from Ireland and England working for him. There were also Irish workers in the area who were working on the railroads and canal. This of course caused the Irish population of the area to increase.

The first Mass in Blackstone was celebrated by a missionary priest from the Diocese of Boston. His name was Reverend James Fitton. The Mass was celebrated in the home of Edward McCabe and there were about twenty people in attendance.

The first regular services were held in Woonsocket, RI in the late 1830's. By 1843 there were more than 200 people in the congregation. This included the Roman Catholics from Blackstone, Massachusetts as well. These Catholics were the people who raised the money to build St. Charles Church in Woonsocket, Rhode Island.

Reverend Charles O'Reilly was the the first pastor of St. Charles Church. He was appointed in November, 1846.

The Catholic population of Blackstone continued to grow. The people wanted a church of their own. Welcome Farnum, a Protestant himself, wanted his workers to be happy. He wanted them to settle in the area with their families and make Blackstone their home. He therefore encouraged their efforts to have their own church. He invited Bishop John B. Fitzpatrick, (Diocese of Boston), to come to Blackstone on June 12, 1850. He also donated land and money for the building of the proposed church.

On July 22, 1850, Bishop Fitzpatrick returned to Blackstone and addressed a gathering of 1200 Catholics. A total of \$2000.00 in subscriptions was raised.

Construction began in 1850 with the men of the parish doing the excavating for the foundation. The building was completed in the spring of 1851. Its exterior was

Gothic in style and was constructed of plain gray granite. There were wood patterns on the ceiling and the pews and wainscoting were made of oak

The church was dedicated on July 11, 1852 and was named St. Paul the Apostle. Bishop Fitzpatrick presided at the dedication. At this time, St. Paul's had about six hundred parishioners. It was a missionary center for surrounding towns.

Reverend O'Reilly died in September of 1857. He was buried next to his church, to the left of the front doors.

Reverend O'Reilly was succeeded by Reverend Edward J. Sheridan on October 1, 1857. Because of failing health, he left the parish in the spring of 1870. He died of consumption in November of the same year. Assistant pastor Reverend Dennis Scanlon was placed in charge of the parish until a new pastor could be found.

The new pastor would be Reverend William A. Powell, an energetic person who was well-loved by the parishioners. Reverend Powell had a bell tower built for the church in 1872. In 1874 he built Institute Hall so the parish could have a place for meetings and catechism classes. In 1883, an addition was made to the church and in 1901, work was started on a new rectory which was completed in June, 1902. Reverend Powell died on September 1, 1902 and was buried in the parish cemetery. During his 32 years at St. Paul's, the parish had grown to 2500 parishioners.

Reverend Michael Kittredge served as pastor from 1902-1911. He was followed by Rev. John H. Gavin who served as pastor from 1911-1914.

Reverend Thomas P. Smith came to St. Paul's in 1914. In 1927 he built a parochial school and convent to house the Sisters of St. Joseph, the school's teachers. On April 14, 1931, Institute Hall burned to the ground and on March 29, 1932, the interior of St. Paul's church was completely destroyed by fire. Reverend Smith risked his life by entering the burning church to rescue the consecrated hosts and sacred vessels.

Under Reverend Smith's guidance, reconstruction began on May 15, 1932 and the rebuilt church was dedicated on June 25, 1933. Reverend Smith celebrated fifty years in the priesthood and thirty years as pastor of St. Paul's on March 24, 1944. He died on June 20, 1947.

Reverend Andrew J. Daley was appointed the next pastor. During his years at St. Paul's, the church underwent many renovations. He celebrated fifty years in the priesthood on June 4, 1967 and retired in April 1968.

Other priests who served St. Paul's church are: Reverend Joseph H. Carey 1968-1978; Reverend Edward Gannon 1979- 1983; and Reverend Paul F. Campbell 1983-1991.

Throughout the history of this parish, St. Paul's Church has been blessed with dedicated priests, pious and devoted parishioners and a wonderful spirit of community. Together this parish family has accomplished outstanding feats for the glory of God, their patron, St. Paul and for all the members of the parish community. They can surely be proud of all the goals that have been met.

A.F.G.S. is proud to present this latest edition in its growing collection of Franco-American resources. We have made every effort to present complete and accurate information for your use. Various spellings should be checked when looking for a name. English versions and "dit" names should be checked as well. Records were compiled from church records and enhanced from civil records, death and marriage records. Please use this information as a starting point but always check the information with a primary source whenever possible.

We extend a thank-you to: Lucile McDonald, Roger Bartholomy and Paul Delisle who copied the records; Paul Talbot who typed the records on his computer; Lucile McDonald who edited the manuscript; Ernest Gagnon who helped format the final copy; Jan Burkhart who printed the final draft; Janice Burkhart who completed the final edit and oversaw the project; Lucile McDonald who printed the books; Lucile McDonald and Raymond Desplaines who collated and bound the books; and all the society members who volunteered their time to help complete the project. Every effort has been made to provide a clear, accurate tool for your use. Constructive criticism, additions and/or deletions may be sent to:

POB - Place of Birth

In later years, children were born in hospitals so you will notice many births taking place outside of Blackstone. If you encounter a (d) after a name, that indicates that the person was deceased at the time of the act. Since we have omitted adoptions and births where no father is listed, it is best to check with the church if you are certain that the baptism took place at St. Paul's Church but you do not find it listed here.

Remember that this is a secondary source of information. It is intended to give you a start. A careful genealogist will always check their records to a primary source. In other words, check this information out at Town Hall or at St. Paul's Church.

WHAT IS THE AMERICAN-FRENCH GENEALOGICAL SOCIETY?

The American-French Genealogical Society was formed in February of 1978 as a non-profit genealogical and historical society devoted to people of French Canadian extraction. Its purpose is to study and preserve the rich Franco-American heritage by assisting its members in discovering their ancestors and the daily events that shaped their lives.

The Society is actively involved in extracting, collating and publishing Franco-American vital statistics, parish registers, burial records, and other data consistent with the preservation of the Franco-American culture. From time to time French lessons are given. The Society is also actively involved with the National Park Museum which has been established in Woonsocket and has cooperated in several projects with the Park staff. In addition the Society participates, along with 24 other genealogical societies, in the very successful New England Regional Genealogical Conference which is held every 18 months.

A.F.G.S. offers many other attractions. Weekly research sessions are held at our library in Woonsocket, RI each Monday from 11 am to 4 pm; Tuesday from 1 pm to 9 pm; and on Saturdays, 10 am to 4 pm, from September to June. An annual business meeting and election of officers is held each October. A semi-annual publication, "JE ME SOUVIENS", (written in English), is sent to each society member. This publication is 100 plus pages and is very informative. The Society also publishes six newsletters, "AFGnews", each year.

The A.F.G.S. library has more than 10,000 volumes devoted to history, family history, biography, reference, and birth, marriage and death statistics. The Research Committee, comprised of experienced researchers, is available to assist members who are unable to conduct their own research. The Loiselle, Rivest, Fabien and Forget Files are available to assist in the search for those particularly difficult marriages that may be eluding you. The Society also owns all four Drouin collections as well as the prestigious and unique Drouin Institute film which comprises all of the births, marriages and deaths recorded in Quebec and other French speaking parts of Canada through the year 1940. In addition, assorted microfilm from Canada, Vermont, Rhode Island, New Hampshire and Massachusetts are available for use in the library. A new Lending Library service makes valuable resources available to members living far from Woonsocket and the library. A large collection of Franco-American marriage notices, anniversary announcements and obituaries have been gathered from across the country. (There are also projects that members across the country are helping the society to complete.)
