INTRODUCTION

The Parish of St. Paul is located in two states - Massachusetts and Rhode Island ! Most of the church is located in Blackstone, Massachusetts (Diocese of Worcester) but the left front door and a small part of the church are located in North Smithfield, RI (Diocese of Providence).

Welcome Farnum, who owned several mills in Blackstone, had many skilled weavers from Ireland and England working for him. (There were also Irish workers in the area who were working on the railroads and canal.) This of course caused the Irish population of the area to increase.

The first Mass in Blackstone was celebrated by a missionary priest from the Diocese of Boston. His name was Reverend James Fitton. It was celebrated in the home of Edward McCabe and there were about 20 people in attendance.

The first regular services were held in Woonsocket, RI in the late 1830's . By 1843 there were more than 200 people in the congregation. This included the Roman Catholics from Blackstone, MA. This is the group that raised the money to build the original St. Charles Church in Woonsocket.

Reverend Charles O'Reilly was the first pastor of St. Charles Church. He was appointed in November, 1846.

The Catholic population of Blackstone continued to grow. The people wanted a church of their own. Welcome Farnum, a Protestant himself, wanted his workers to be happy. He wanted them to settle in the area with their families and make Blackstone their home. He therefore encouraged their efforts to have their own church. He invited Bishop John B. Fitzpatrick, (Diocese of Boston), to come to Blackstone on June 12, 1850. He also donated land and money for the building of the proposed church.

On July 22, 1850, Bishop Fitzpatrick returned to Blackstone and addressed a gathering of 1200 Catholics. A total of \$2000.00 in subscriptions was raised.

Construction began in 1850 with the men of the parish doing the excavating for the foundation. The building was completed in the spring of 1851. Its exterior was Gothic in style and was constructed of plain grey granite. There were wood patterns on the ceiling and the pews and wainscotting were made of oak.

The church was dedicated on July 11, 1852 and was named for St. Paul the Apostle. Bishop Fitzpatrick presided at the dedication. At this time, St. Paul's had about six hundred parishioners. It was a missionary center for the surrounding towns.

Father O'Reilly died in September, 1857. He was buried next to his church, to the left of the front doors.

Father O'Reilly was succeeded by Reverend Edward J. Sheridan on October 1, 1857. He had been ordained in 1853 and been appointed pastor of St. Mary's Church in Uxbridge, MA. He remained at St. Paul's Church until his reassignment in 1867.

Reverend Thomas Bannon was the next pastor of St. Paul's church. He was appointed in 1867. Because of failing health, he left the parish in the spring of 1870. He died of consumption in November of that same year. Assistant pastor Reverend Dennis Scanlon was placed in charge of the parish until a new pastor could be found.

The new pastor would be Reverend William A. Powell, an energetic person who was well-loved by the parishioners. Father Powell had a bell tower built for the church in 1872. In 1874 he built Institute Hall so the parish could have a place for meetings and catechism classes. In 1883, an addition was made to the church and in 1901, work was started on a new rectory which was completed in June 1902. Father Powell died on September 1, 1902 and was buried in the parish cemetery. During his 32 years at St. Paul's, the parish had grown to 2500 parishioners.

Reverend Michael Kittredge served as pastor from 1902-1911. He was followed by Rev. John H. Gavin who served from 1911-1914.

Reverend Thomas P. Smith came to St. Paul's in 1914. In 1927 he built a parochial school and convent to house the Sisters of St. Joseph, the school's teachers. On April 14, 1931, Institute Hall burned to the ground and on March 29, 1932, the interior of St. Paul's church was completely destroyed by fire. Father Smith risked his life by entering the burning building to rescue the consecrated Hosts and sacred vessels.

Under Rev. Smith's guidance, reconstruction began on May 16, 1932 and the rebuilt church was dedicated on June 25, 1933. Father Smith celebrated fifty

years in the priesthood and thirty years as pastor of St. Paul's on March 24, 1944. He died on June 20, 1947.

Reverend Andrew J. Daley was appointed the next pastor. During his years at St. Paul's, the church underwent many renovations. He celebrated fifty years in the priesthood on June 4, 1967 and retired in April, 1968.

Other priests who served St. Paul's church are Reverend Joseph H. Carey 1968 - 1978; Reverend Edward Gannon 1979 - 1983; and Reverend Paul F. Campbell 1983 - 1991.

Throughout the history of this parish, St. Paul's Church has been blessed with dedicated priests, pious and devoted parishioners and a wonderful spirit of community. Together this parish family has accomplished outstanding feats for the glory of God, their patron, St. Paul and for all the members of the parish community. They can surely be proud of all the goals that have been met.

A. F. G. S. is proud to present this latest edition in its growing collection of Franco-American resources. We have made every effort to present complete and accurate information. Various spellings should be checked when looking for a name. Records which were incomplete were checked with the many other records at our society and when possible at City Hall.

We extend a thank-you to: Eveline Desplaines who obtained permission for us to copy the records; Lucile McDonald, Roger Bartholomy and Paul Delisle for copying the records; Eveline Desplaines who typed the records on her computer; Claude Brunelle and Roger Beaudry who formatted the records; Donald LaCroix, Lucile McDonald and Roger Beaudry who did the many edits of the manuscript; Janice Burkhart who completed the final edit and oversaw the project; Paul Delisle who printed the book; Lucile McDonald and Lawrence Choiniere who collated the book; Lucile McDonald, Lawrence Choiniere and Roland Bouliane who bound the book; and all the society members who volunteered their time to help complete the project. Every effort has been made to provide a clear, accurate tool for your use. Constructive criticism, additions and/or deletions may be sent to:

WHAT IS THE AMERICAN-FRENCH GENEALOGICAL SOCIETY?

The American-French Genealogical Society was formed in February of 1978 as a non-profit genealogical and historical society devoted to people of French Canadian extraction. Its purpose is to study and preserve the rich Franco-American heritage by assisting its members in discovering their ancestors and the daily events that shaped their lives.

The Society is actively involved in extracting, collating and publishing Franco-American vital statistics, parish registers, burial records, and other data consistent with the preservation of the Franco-American culture. From time to time French lessons are given. The Society is also actively involved with the National Park Museum which has been established in Woonsocket and has cooperated in several projects with the Park staff. In addition the Society participates, along with 24 other genealogical societies, in the very successful New England Regional Genealogical Conference which is held every 18 months.

A.F.G.S. offers many other attractions. Weekly research sessions are held at our library in Woonsocket, RI each Monday from 12 pm to 5 pm; Tuesday from 1 pm to 10 pm; and on the first and third Saturdays from September to June. An annual business meeting and election of officers is held each October. A semi annual publication, "JE ME SOUVIENS", (written in English), is sent to each society member. This publication is 100 plus pages and is very informative. The Society also publishes six newsletters, "AFGnews", each year.

The A.F.G.S. library has close to 10,000 volumes devoted to history, family biography, research, and birth, marriage and death statistics. A Research Committee comprised of experienced researchers is available to assist members who are unable to conduct their own research. The Loiselle, Rivest, Fabien and Forget Files are available to assist in the search for those particularly difficult marriages that may be eluding you. The Society also owns all four Drouin collections as well as the prestigious and unique Drouin Institute film which comprises all of the births, marriages and deaths recorded in Quebec and other French speaking parts of Canada through the year 1940. In addition, assorted microfilm from Canada, Vermont, Rhode Island, New Hampshire and Massachusetts are available for use in the library. A new Lending Library service makes valuable resources available to members living far from Woonsocket and the library. A large collection of Franco-American marriage notices, anniversary announcements and obituaries have been gathered from across the country. (There are also projects that members across the country are helping the society to complete.)
