La Paroisse Saint Charles de Borromée fut la onzième paroisse franco-américaine fondée dans le diocèse de Manchester. Elle fut organisée le 5 novembre 1893. Monseigneur Denis M. Bradley, évêque de Manchester, nomma l'abbé Julien Richard (1893 - 1911) son premier curé.

De l'année 1855 à 1893, la paroisse territoriale de Saint Mary avait soin du bien-être spirituel des catholiques de Dover. En 1890, M. Joseph Croteau, M. Alfred Drouin, et M. Philias Pomerleau, entreprennent de faire le denombrement des Canadiens de la ville. Un total de 114 familles ou 640 âmes avaient été inscrites dans ce recensement.

Depuis sa fondation jusqu'en 1976, il y a en 1494 mariages à Saint Charles. Les registres ne sont pas complets, spécialement ceux de Saint Mary. Même les registres de l'Hotel de Ville n'ont pas cette information.

Vous allez remarqué qu'il y a certain mariage qui paraisse avoir des erreurs quant il s'agit du nom du père ou de la mère. J'ai copié les registres tel que je les ai trouvés. Certains noms de famille peuvent être trouvés sous ses différentes formes. Il serait bon de consulter les variations du même nom.

Je tiens à remercier très sincèrement le Père Roger Bilodeau qui m'a aidé à la compilation de ce volume.

Le compilateur,

Fernand Croteau
