Manchester, NH 03108-6478**

A Short History of St. Peter Church

- 1915 A handful of Catholics resided in Farmington. Some of the founding families were Peter **Lepene**, George **Mooney**, the Francis **Mooneys**, George **Pelletier**, Mr. **Tuenick**, and William **Belanger**. They acquired the present rectory and a connecting building which they used as a chapel.
- 1919 The ownership of the property was officially transferred to the Diocese of Manchester under Bishop **Guertin** and St. Peter's became a mission of St. Anthony Church in Sanbornville. Fr. O. **Desmarais** offered Mass and sacraments weekly.
- 1920 St. Peter parish was established; the first pastor was Fr. Pierre **Gamache** who also cared for the Milton and Alton communities. Blanche **Rundlett** of Orchard Circle, was our oldest living parishioner.
- 1923 The new church was dedicated on December 2nd, with Bishop **Guertin** presiding.
- 1926 Rev. Paul **Desaulniers** was made the second pastor.
- 1932 Rev. Robert **Bellefeuille** was made the third pastor.
- 1937 Rev. E. **Bussi re** was made the fourth pastor.
- 1941 Two pastors were appointed—Frs. **Hogan** and **McCarthy**
- 1945 Fr. **Drapeau** was appointed pastor
- 1947 Fr. **Dufour** was named pastor and Alton became the only mission of St. Peter's.
- 1948 The Ladies' Guild was established with Geneva **Mooney** as the first president
- 1951 The convent was purchased and in anticipation of the coming of the Sisters of Atonement
- 1952 The convent was blessed. The sisters began formal religious education classes and taught them in the parish classrooms.
- 1955 The land next to the convent was purchased and construction began on the parish hall/gym and classrooms. The total cost was \$75,000 with the dedication in May, 1956. The parish CYO was organized.
- 1961 St. Joan of Arc became its own parish
- 1964 Rev. Albert **Gagnon** became the next pastor of St. Peter Church.
- 1965 Because of the increasing size of the parish and its inability to build a new church, the current parish hall was converted into the "new parish church". It was blessed in 1966. (The old church was removed in 1972.)
- 1970 Fr. Gerald **Chalifour** became pastor. At this time the parish was 50 years old. It had over 200 families with an elected parish council, liturgical and Christian formation, financial, community affairs, and social committees Fr. E. **Duval** became pastor until 1981.
- 1980 The first Penny Sale was organized by Jeanne **Radcliffe**
- 1981 Fr. Donald **Martineau** became pastor.
- 1988 Fr. Adrien **Longchamps** became pastor.
- 1991 Fr. R. **Fortier** became pastor and the St. Peter Knights of Columbus Council was established. Ronald **Chagnon** was the first Grand Knight.
- 1997 In late 1997 Fr. E. **Bisson** became pastor until 2002 when Fr. Pierre **Baker**, the pastor of St. Mary also became the pastor of St. Peter's. Father resides in Rochester and Sr. Madonna Marie **Kling**, a sister of Divine Providence of Kentucky, took residence in the former rectory and became the first Pastoral Associate.
- 2004 The parish is 84 years young with approximately 300 families, an active parish council, a religious education program, a reinvigorated Ladies Guild, an enthusiastic Knights of Columbus Council, and numerous liturgical ministers. The parish is noted for its support of the staff and participation in parish activities.

Summer 2005

THIS BOOK AND ITS CONTENTS

Although we combined all events in this repertoire our standard policy as to content in each record remains the same.

In the section of marriages, we duplicate our database of marriages, reverse the bride and grooms information putting the brides on the left side of the report, and then sort it alphabetically. This puts surname groupings together of both the bride and the grooms of a particular surname. It is then quick to see siblings getting married in the same parish.

For baptisms we are careful not to divulge illegitimacies or adoptions. We include parents and godparents/sponsors and any familial information if presented in the record. If the marginal notes in a baptism indicate a subsequent marriage, we include that information in the person's baptismal record.

Burials are a little less rich in genealogical information in that these are usually the minimum facts – date, place of death and burial. Sometimes a spouse's name is given or in the case of an infant, the parents' names appear in the record.

This book is the sole property of the American-Canadian Genealogical Society and cannot be reproduced in any form for the purpose of resale.
