SAINT PATRICK'S PARISH  
Jaffrey, New Hampshire  
Organized 1869

From 1869 until 1885, this parish was a mission of St. Bernard's in Keene, St. Peters in Peterborough, Sacred Heart in Wilton and established themselves as a parish 1885. The East Jaffrey Catholics received their first religious ministrations from a priest in 1869 when Rev. Daniel W. Murphy came by horse and buggy from Keene to celebrate Mass in the Engine House in Jaffrey Center on a monthly basis. In 1874 Rev. John Holahan from Peterborough tended to the weekly needs of the Catholics of East Jaffrey until 1886. Although father Patrick McEvoy was assigned to St. Peter's church in Peterborough, within the year (1885) he had moved, bag and baggage, to East Jaffrey.

In 1885, after having purchased a two story white house in which to live in Jaffrey, the person from whom he had purchased the house sold the empty pasture across from the rectory to Father Patrick. From the 300 or so parishioners came 100,000 feet of the best available lumber to build a new church, christened St. Patrick's Church. Just before he was transferred to Wilton in 1891, Father McEvoy purchased a plot of land which was later to become St. Patrick Cemetery.

The second pastor was Rev. Edward Furlong who served from 1891-1906. In 1897, Rev. Francis O'Neil was assigned to St. Patrick's as its first assistant pastor. Father R.A. Bernardin succeeded Fr. Furlong in 1907. He was of French-Canadian extraction and the parish registers began to hold names like: Cournoyer, Duval, Labonté, Letourneau, and Robichaud. Fr. Bernardin held this post until his untimely death at the age of 41 in 1912.

With the blossoming of many factories in which cotton and woolen fabrics were manufactured, came many immigrants

seeking employment in the new manufacturing centers. Many came directly from Canada. Father Bernardin was fluent in both French and English and performed notably in assisting Canadian parishioners to adjust to the social, cultural and environmental differences of their new country. His musical talents provided instruction and inspiration for the establishment of an excellent church choir. He was succeeded by:

Rev. Herbert A Hennon in 1912; Rev. William J. Cavanaugh in 1921; Rev. Peter J. McDonough returned to Jaffrey as pastor in 1932; Rev. John A. McSweeney in 1945 and at the end of World War II, was joined by the Rev. Frank McMullen as Assistant Pastor until 1958; in 1956 Rev. Lawrence R. Gardner succeeded Fr. McSweeney; Father Frank McMullen was transferred at this time to become the founding pastor of Mary, Queen of Peace Church, Salem, NH; Msgr. Gardner was succeeded by Rev. Lionel W. Boulay in 1960; in 1967 Rev. James F. Quinn succeeded Father Boulay; in 1969 Rev. Robert E. Barnea took the reigns at St. Patrick's. It was during this time frame that the Post Office changed East Jaffrey to its current mailing address of Jaffrey, New Hampshire.

In 1972, a new concept was tried at St. Patrick's - Rev. Thomas J. Bresnahan & Rev. James W. Haller were appointed as co-pastors; the 12th pastor, Rev. Richard A. Smith arrived in 1977 during his pastorate, the parish celebrated its 100<sup>th</sup> Anniversary in 1985; in 1987 Rev. Richard J. Kelley became pastor of St- Patrick's where he continues to serve. In 1996 an historic first for the parish took place - a native son of St. Patrick's, Msgr. Francis J. Christian who was baptized, confirmed and ordained a Priest at this church achieved the fullness of the priesthood when he was ordained a Bishop at St. Joseph Cathedral in Manchester.

## FROM THE PUBLISHER

Rev. Richard J. Kelley, the current pastor of St. Patrick's Church in Jaffrey, NH, was asked by Albert W. Hamel of ACGS if the Society could copy their records. Mr. Hamel showed Father Kelley a sample of a repertoire published by ACGS. We were given permission to bring our photo copying team to this beautiful church to copy their registers for the purpose of producing a repertoire (index) of births, marriages, and burials.

Our thanks to the many volunteers who put hundreds of hours into the production of such a work.

## THIS BOOK AND ITS CONTENTS

This marriage repertoire contains 1,650 marriages which took place from August 1885 through December 1998. As is our policy when producing marriage indexes, we duplicate our database and reverse the order of the data in each record so that the primary person is the bride. These two databases are then merged and re-sorted alphabetically. Therefore, there are approximately 3,300 records in this marriage repertoire.

This, in effect, will put family groupings together and eliminates having to index the brides under their maiden name and the name of the man they married.

The surname of the father of the bride and the groom is not repeated when listing parents unless it is different than the person getting married, as can happen with women who were previously married.

As is the practice in Canada, women will be listed by their maiden name with their previous married name in parentheses. If there is doubt, we enter the record in its original format, leaving the researcher to his or her own devices for determining a person's name at birth.

It is also the policy of the ACGS not to divulge illegitimacies which are sometimes indicated in a marriage record. If one of the persons getting married lists the parents as 'unknown' or there is indication of an illegitimacy by virtue of there not being any parents listed, we also omit the parents of the legitimate person. It is up to the researcher's discretion to pursue this marriage record in the civil records or with the church.
