La paroisse de Tout les Saints de Lancaster fut organisée en 1856. Précédament tout le territoire du nord de l'état était visité par le Père Isidore H. Noiseux.

Les registres de mariages commencent en 1852. Ils sont très difficiles à lire et ne contiennent pas le nom des parents ni de l'époux ou de l'épouse.

Le premier curé de la paroisse fut le Père Isidore Noiseux. Il continua à visiter plusieurs villages du nord pendant plusieurs années.

Les curés de la Paroisse sont les suivants:

Rev. Isidore H. Noiseux	(1851 - 1876)
Rev. Michael P. Danner	(1876 - 1880)
Rev. John F. McKenna	(1880 - 1881)
Rev. Henri A. Lessard	(1881 - 1885)
Rev. Matthew J. Creamer	(1885 - 1897)
Rev. Alexander D. Sullivan	(1898 - 1915)
Rev. John A. Casey	(1915 - 1930)
Rev. Walter L. Dee	(1930 - 1940)
Rev. Edmond M. Total	(1945 - 1957)
Rev. Leo P. Gilbert	(1957 - 1968)
Rev. J. Kieran O'Connor	(1968 - 1975)
Rev. John Nolin	(1975 -)

Depuis sa fondation jusqu'en 1981, il y a eu 1371 mariages à Tout les Saints. J'ai copié les registres tel que je les ai trouvés sans faire aucun effort à corriger même les erreurs les plus voyantes. Certain nom de famille peut être trouvé sous différentes formes. Il serait bon de consulter les variations des mêmes noms; aussi l'anglisation des noms.

NOMS et SURNOMS

Ces changements de noms du français à l'anglais ne veulent pas dire nécessairement que le nom anglais est toujours une traduction. Par exemple: TAYLOR - est à certain endroit COUTURIER - à d'autre endroit THERRIEN: et bien souvent c'est le nom de famille de source anglaise.
