## **Our Lady of Perpetual Help Parish Manchester, New Hampshire**

Our Lady of Perpetual Help began its parish life on Sunday, October 1, 1911. The Rev. James **McGill** was the first pastor and after two years of worshipping in the basement of St. Anthony Church, land was purchased at Hayward and Cypress Streets. Father **McGill** oversaw the construction. The first Mass in the new structure was celebrated on Sunday, June 22, 1913 by Father **McGill**.

A few years later the rectory was built - a lovely ten-room home. On Holy Thursday, April 9, 1925, Father **McGill** passed away.

Rev. John **McSweeney** from St. Patrick's in Nashua was appointed administrator until September of the same year when Our Lady of Perpetual Help received its second pastor, Reverend Edward J. **Kean**, a native of Manchester.

Fr. **Kean** built a modern school and auditorium in 1927 which served the parish well. In the winter of 1933, Father **Kean** suffered a cerebral hemorrhage; in the summer of 1934 he suffered a second one and died on August 18, 1934 at the age of 56.

Rev. **Kean** was succeeded by Reverend James **Crowley** and was to remain for almost 29 years. Even though these were depression years and Fr. **Crowley** had inherited the debt for the Church, school and rectory, he kept the parish moving forward. The parish flourished with many activities during these years:

Catholic Youth Organization baseball and basketball; Confraternity of Christian Doctrine classes for all public school children in the parish; bingo games; whist parties and bridge clubs; the Parent Teacher Organization; St. Patrick's Day concerts; and the Holy Name Society.

In this very busy time, Fr. **Crowley** was assisted by Father George E. **Murray** and Father Robert E. **Carty** who took turns offering Mass during the week, making rounds at the Elliot Hospital each day before teaching school at Bishop **Bradley** High School, visiting the sick and elderly, giving convert instructions, keeping census records, running charity drives and serving as chaplains for various organizations. Fr. **Crowley** was made a Monsignor in July of 1957.

The Church debt was finally wiped out. In February of 1954 he had the church renovated. New boundaries were established for the parish because of the new Pius X Church. In 1960 repairs to the school went ahead. Msgr. **Crowley** died on June 13, 1963. He was succeeded by Rev. John E. **Hathaway**.

Father **Hathaway** served as a chaplain in the army in World War II and received several honors for heroism in action. When he came to Our Lady of Perpetual Help, he was already suffering from health problems. His first action was to have the rectory renovated as it was in serious disrepair. Fr. **Hathaway**

ended the practice of providing chaplains for the Elliot Hospital from this parish when the hospital finally hired a full-time chaplain. He then went on to establish the Ladies Guild in 1965 - the same year that the Junior Catholic Youth baseball team became New England Champs. Fr. **Hathaway** resigned as pastor due to illness on September 5, 1969 and died on the 30<sup>th</sup> of September that year.

Rev. Gerald F. **Joyal** became pastor in October of 1969 and was to remain for six years. The diocese desired to build a new church for Our Lady in the vicinity of Huse Road. The parishioners protested and instead, it was decided to repair the church, school and all church property. Because of the original construction being solid steel with wooden frame, the only serious problem with the church was the rotted beams. He left the parish in June of 1975.

Fr. **Joyal** was succeeded by Rev. William P. **Neiman** who added aesthetic touches to enhance the interior of the church, rectory and grounds now that their major

repairs were completed. Unfortunately, at age 56 Fr. **Neiman** died from cancer on December 10, 1979.

The parish continued to flourish through the 1980's being served by:

Rev. Msgr. Raymond O. **Blair** from 1979-1980;

Rev. Dennis L. **O'Leary** from 1980-1983;

Rev. Monsignor John E. **Molan** from 1983-1984;

Rev. Arthur O. **Houde** from 1984-1989;

Rev. Leonard R. **Foisy** from 1989-1990;

three administrators from Nov. 1990 to June 1991 -

Rev. Msgr. Joseph **Desmond**,

Rev. Msgr. John F. **Burke** and

Rev. Gerald **Joyal**;

Rev. Maurice D. **Lavigne** from 1991-1999;

Rev. Marcel M. **Allard** from 1999-2004;

Rev. Charles **Desruisseaux** administrator from July-November 2004; and

Rev. Joseph **Klatka**, administrator from Nov. 2004 until present

[December 2005].

## FROM THE PUBLISHER

Permission to create an alphabetical index of the church registers for Our Lady of Perpetual help in Manchester, NH was granted by Rev. Joseph **Klatka**, Administrator in 2005. Parish secretary, Cecile **Morency Nieman** and Maurice [Moe] **Paquette** photocopied the registers dated from 20 December 1911 to 28 October 2005. We certainly appreciate their efforts to get this project on track.

Much care must be taken when photocopying these registers so as not to damage the records while scrutinizing each copy to be sure we have captured all the pertinent information. We are grateful to all the volunteers who worked long, tedious hours in the production of the *répertoire* you are holding.

## THIS BOOK AND ITS CONTENTS

This *répertoire* contains 2,028 marriages that took place from December 1911 - October 2005. The registers are housed at Our Lady of Perpetual Help in Manchester, NH.

As is our policy when producing a marriage *répertoire*, we duplicate our database and reverse the order of the data in each record so that the primary person is the bride. These two databases are merged and sorted alphabetically. This, in effect, puts family groupings together and eliminates having to index the brides under their maiden name in the back of the book.

The surname of the father is not repeated when listing parents except in the case where women have been married more than once. If the maiden name is known, an asterisk is placed after the father's given name indicating that more information is noted at the end of the record. If there is doubt as to which name is the maiden name and which name is a surname from a previous marriage, we enter the record in its original form leaving the researcher to determine a person's name at birth.
