## SAINT ANTHONY

Saint Anthony, the eighth catholic parish in Manchester, New Hampshire, was founded in 1899 in the eastern sector of the Queen City, then known as Hallsville.

The Most Reverend Denis M. Bradley, first bishop of the New Hampshire diocese, assigned Reverend Denis C. Ling as the first pastor for the eighty families that formed the nucleus of the new parish. He celebrated mass for the first time on November 5, 1899 at 610 Valley Street in the "Salle Trudeau", so named because it was owned by Mr. Joseph Trudeau, a local baker. A month later, Mr. Timothy J. Kerius wed Miss Margaret Sullivan, and their marriage was the first to be recorded in the parish register.

On the twenty-first of July 1900, the enterprising pastor, obtained a tract of land from Mr. Trudeau on Belmont Street, and three days later, construction of the new church began. The first mass was celebrated in the new chapel on September 20, 1900, at which time, Rev. Ling announced his transfer to Hinsdale, having served but eleven months. Because of his short stay, the founding of Saint Anthony is often credited to Rev. Georges-Albert Guertin, the second pastor of the parish. It was he, however, who designated Saint Anthony of Padua as the patron saint of the new parish.

In May of 1903, the wooden structure was transported a short distance from its original site to the corner of Belmont and Silver streets. The main altar was transported from an even greater distance -- it had graced the church of Saint Aloysius in Nashua, twenty miles away. The new edifice was officially blessed on June 25, 1905.

Rev. G.-A. Guertin, the pastor of Saint Anthony, was elevated to the rank of bishop on January 2, 1907. The parish was growing rapidly and many new homes were being built within its boundaries. Therefore, Bishop Guertin mandated that on September 5, 1911, the pastor, Rev. L.J.A. Doucet, inform his parishioners that a new church for the English-speaking faithful would be built. Thus Our Lady of Perpetual Help was brought into existence.

The parish was still expanding, so in 1953 construction of the present brick structure began at the corner of Belmont and Harvard streets. During the construction of the 1000-seat building, the initial wooden structure was retained to serve the needs of the people. The cornerstone of the new edifice was blessed on April 14, 1954 by the Most Reverend Matthew F. Brady, and on June 13th of that year, the new temple was offiially opened for worship. It was only later that the wooden structure that had been so essential to so many for so many years, was torn down.

## SAINT\_ ANTOINE

Saint-Antoine, la huitième paroisse catholique de Manchester dans l'état du New Hampshire, fut fondée en 1899, dans la section est de la ville-reine connue du nom de Hallsville.

Le premier évêque de ce diocèse, Mgr. Denis M. Bradley, nomma le R.P. Denis C. Ling, curé fondateur de la nouvelle paroisse. Environs quatre-vingt familles, dont la plupart de langue française résidaient alors dans ce lieu. Le R.P. Ling célébrait la première messe le 5 novembre 1899 en la "Salle Trudeau", à 610 rue Valley. Un boulanger de la paroisse nommé Joseph Trudeau était propriétaire de cette salle. Les registres paroissiaux attestent qu'un mois plus tard, M. Timothy J. Kerius épousait Mlle. Margaret Sullivan.

Dès le 21 juillet de l'année 1900, le pasteur organisateur de Saint-Antoine procurait de M. Trudeau un terrain sur la rue Belmont, et les travaux de construction furent inaugurés en trois jours. Le 20 septembre 1900, le R.P. Ling célébrait la première messe en la nouvelle chapelle. A cette occasion il annonce son départ pour Hinsdale. L'administration de la nouvelle paroisse lui avait été confiée que pendant onze mois. Le père Ling fut remplacé par le R.P. Georges-Albert Guertin qui met l'église sous le vocable de Saint-Antoine-de-Padoue.

Au mois de mai 1903, l'église quittait son premier emplacement pour être transportée à l'angle des rues Belmont et Silver. Le sanctuaire recevait l'ancien maître autel de Saint-Louis-de-Gonzague de Nashua ville distante de 20 milles. La bénédiction solennelle de la nouvelle église eut lieu le 25 juin 1905.

Le R.P. G.-A. Guertin, curé de Saint-Antoine fut sacré évêque le 2 janvier 1907. La paroisse était en pleine croissance et plusieurs quartiers résidentiels s'élevaient dans ses bornes. Par un décret de Mgr. Guertin, le curé L.J.A. Doucet annonce, le 5 septembre 1911, la fondation de Our Lady of Perpetual Help (Notre Dame du Perpétuel Secours) pour le peuple fidèle de langue anglaise.

La paroisse s'étendait d'avantage. En 1953 la construction d'un nouveau temple en brique qui peut asseoir 1000 personnes fut inaugurée au coin des rues Belmont et Harvard. Mgr. Matthew F. Brady bénissait la pierre angulaire durant la cérémonie du 14 avril 1954 et l'église fut ouverte au culte le 13 juin de la même année.
