## ST-AUGUSTIN, Mother Church of the French Speaking People Manchester, New Hampshire

St-Augustin parish was founded in May 1871 as a result of the arrival in Manchester of French-Canadians in large numbers. At the time, there were 2000 French-Canadians living and working in the Queen City. Manchester was the home of the Amoskeag Corporation, the world's leading producer of cotton goods. New Hampshire was still part of the Diocese of Portland (Maine) at the time. Most Reverend David BACON, Bishop of Portland, named Abbé Joseph Augustin CHEVALIER (1871-1924) as St-Augustin's first Pastor.

Father CHEVALIER dedicated the new parish to Saint Augustin of Hippo, and placed the new church under the protection of the Early Church's Great Bishop and "Doctor of the Church". Later that same year of 1871, the Amoskeag Manufacturing Company donated land for the new church building and it was dedicated on Thanksgiving Day, 28 NOV 1873 by Bishop BACON.

St-Augustin parish grew during Father CHEVALIER's 53 years' pastorate. In 1879, the cemetery was organized; in 1881, *l'Académie Notre-Dame* opened, and in 1890, there was a separate boys' school, *l'Académie St-Augustin*. Later, in 1892, an orphanage, *Hospice St-Vincent-de-Paul*, would open.

In 1908, St-Augustin parish was the second largest in Manchester with 7,727 parishioners. Since the parish's beginnings in 1871, until 1993, there were approximately 18,650 baptisms recorded at St-Augustin Church. In 1910, a parish hall was built, *Salle Sainte-Cécile* and in 1915, Father CHEVALIER was instrumental in the construction of *Académie Villa-Augustina*, a "convent" boarding school for girls, still operated by the Religious of Jesus-Mary.

In May, 1921, the parish observed its 50th anniversary. A month later, Father CHEVALIER became seriously ill, recovering only partially. In 1924, he resigned; he died in 1929.

The second Pastor of St-Augustin parish was Father Georges-Arthur DEMERS who took over in October, 1924. He constructed Ste-Thérèse Chapel and School which was then a mission of St-Augustin. Father DEMERS died in 1929.

Father Aimé-Philippe BOIRE was appointed third

Pastor in September 1929. During his pastorate, the Sisters of Holy Cross arrived to teach in the newly consolidated school, St-Augustin School. Father Boire remained as Pastor until the end of 1947.

Early in 1948, Monsignor Edouard LESSARD, formerly a Curate at St-Augustin, became the fourth Pastor. Father LESSARD was elevated to Monsignor 17 JAN 1951. He remained in his position until his health forced his retirement in 1967. He died in early 1971.

Father Odore GENDRON, the fifth Pastor, arrived in September, 1967. He continued the implementation of Second Vatican Council reforms. On 21 DEC 1970, Father GENDRON was made Prelate of Honor by Pope Paul VI. Monsignor GENDRON resigned early in 1971 to be followed by Father Roland TANCREDE, sixth Pastor. He presided over many centennial events, later restoring the organ and the interior of the church. St-Augustin School closed in 1973, after 93 years in operation. Father TANCREDE was elevated to Monsignor in 1986, and bestowed the rank of Prelate of Honor by Pope John-Paul, II. He retired in 1990.

Father André GAGNON was appointed as seventh Pastor and served from July to November in 1990. He was followed by the current Pastor, Father Adrien LONGCHAMPS, a well-recognized child of the parish of St-Augustin.

Under the care of Father LONGCHAMPS, St-Augustin has adapted to many changes, as it nears its 125th anniversary. Its progress in spiritual development by new methods and shared ministries will carry it into the new millennium. However, the time will come when the French language will completely disappear but Father CHEVALIER's mission to shepherd his French-Canadian flock will still be largely preserved in their descendants.

## FROM THE PUBLISHER

Three years ago, we began a very intense project to reprint the marriages of St. Augustin church. That was extended to the publication of the baptisms and further to the culmination of the project, Father Adrien Longchamps allowed us to publish the registers of funeral masses performed in St. Augustin's church. This repertoire contains 9,527 records of burials performed during the years 1887 through 1993.

The following volume is the result of hundreds of hours of volunteer effort and we are grateful to:

Pauline G. **Coté** for Overall Coordination of the project; Marcel P. **Coté** and Pauline G. **Coté** for photo copying; Theresa **Beudoin**, Marcel P. **Coté**, Paul F. **Godin**, J. Paul **Levesque** and Jeanne **Massé** for data entry; Thérèse M. **Bédard**, Sylvia **Boucher**, Réal **Caza**, Arthur **Dallon**, Arlene **Dallon**, Raymond A. **Desfossés**, Aline **Gagnon**, Madeleine **LaBonté**, Lucille **Lafond**, Michael B. **Melanson**, Lorraine R. **Miville**, Jean Guy **Sauvé**, Jeannette **St. Laurent** and Eugène **Thibodeau** for proof reading; to Pauline G. **Coté** for data corrections; Roland A. **Marchand** for data file coordination; and Pauline **Cusson** and Anne-Marie **Perrault** for the final printout.

As with our other publications, the process is time-consuming but the end-product is a valuable tool to all genealogists, family historians and the staff of the host parish. We have included as much applicable information as was permitted in the confines of data entry parameters. To the best of our ability, we entered the data as it was in the register except when the record was illegible. In some cases no amount of experience was useful, therefore, we recreated the record as close to its original state as we could.

## HOW TO USE THIS REPERTOIRE

This book contains Burials from 1887 through December 1993. Burials are sorted by last name then by first name of the deceased. Name is followed by Age at Death and Date of Death. If the deceased person was married or widowed, the spouse's name is entered on the second line. Where parents were listed, they are entered on the third line. The notes field is used for special information that does not fall into the regular categories, such as additional first names, age at death is more detailed than the regular field permitted, unusual cause of death, or place of death was not local.

ADAM, Flora 87yrs 2mo. Died: 1 Jan 1901  
Parents: Buried: 4 Jan 1901  
Spouse: feu George Dunn Manchester, NH  
Cemetery: St. Augustin (old)

In all cases, for the Manchester cemeteries just the name of the cemetery is given. In all other cases, the location of the cemetery is given. The user should note that the place of death is not always the same as the place of burial.

Name variations are inevitable in a 100+ year span, for example: the name "Beudoin" as we know it today could be spelled "Baudoin" and "Bodoin."

Where space was limited, first names were abbreviated and could affect the sort. In particular, the first name of the deceased person may have been something other than the one you knew. If the record is not where you expected it to be, check under J., Jos. Joseph for the males and under M. or Marie for the females.

This repertoire should be used as a guide. If the information provokes doubt as to validity, the civil record or newspaper obituary should be consulted for more details. Other sources to consult would be city directories and census records.

Some abbreviations: J., Jos. = Joseph; M. = Marie; Chs. = Charles; f. = feu, feue (defunct); v., vve. = veuf, veuve (widow, widower)
