SAINTE MARIE PARISH

Sainte Marie parish in West Manchester, New Hampshire was founded in 1880 to provide for the spiritual needs of the French-speaking population in one section of the city. At that time there were approximately 9,000 Franco-Americans residing in Manchester.

The Most Reverend James Augustin Healy, second bishop of Portland, Maine, assigned the Reverend David Joseph Halde, as the first pastor of the parish. A tract of land of 7,500 square feet was purchased from the Ameskeag Company, for \$348.18. This land was situated atop a nearly deserted hill overlooking the Merrimack River, on Beauport Street, presently known as Notre Dame Avenue. The territory of the new parish comprised the entire western side of the city, and a portion of the eastern side to Lowell Street.

On October 16, 1890, the wooden structure burned to the ground. The cornerstone of the present edifice was laid on May 30, 1898.

The Sacrament of Baptism was administered for the first time at Sainte Marie, on September 20, 1880. The first burial was recorded on September 15, 1881.

We wish to offer our heartfelt thanks to Reverend Albert Baillargeon, present pastor of Sainte Marie parish, for allowing us to compile the more than 34,000 entries contained in this work. We are deeply appreciative of the genuine hospitality shown to us by the staff of Sainte Marie's rectory, during the many months required to accumulate this data.

PAROISSE SAINTE-MARIE

La paroisse Sainte-Marie fut fondée en 1880, pour subvenir aux besoins spirituels de la population francophone d'une section de la ville de Manchester, dans l'Etat du New Hampshire. Environ neuf mille Franco-Américains résidaient alors dans cette ville.

Son excellence, Monseigneur l'Evêque James Augustin Healy, deuxième évêque de Portland, Maine nomma le révérend David Joseph Halde, curé-fondateur de la paroisse.

Pour la somme de \$348.18, l'abbé Halde acheta de la compagnie Amoskeag, un terrain mesurant 7,500 pieds carrés sur la rue Beauport, maintenant nommée rue Notre-Dame. Cette rue était située sur une colline déserte non loin du fleuve Merrimack. La superficie de la nouvelle paroisse s'étendait sur toute la section ouest de la ville, et sur une section est, jusqu'à la rue Lowell.

Dans la nuit du 16 octobre 1890, le feu réduisit en cendres la première église. On érigea une nouvelle église, dont la pierre angulaire fut bénite durant la cérémonie du 30 mai 1898.

Les registres paroissiaux attestent que le Sacrement de Baptême fut administré pour la première fois dans la paroisse, le 20 septembre 1880, et la première sépulture eut lieu, le 15 septembre 1881.

Nous exprimons notre profonde reconnaissance envers le révérend Albert Baillargeon, curé actuel de la paroisse Sainte-Marie pour nous avoir permis de consulter les registres paroissiaux, afin de grouper au delà de 34,000 documents, qui sont contenus dans cet ouvrage. Les prêtres et les religieuses du presbytère se sont montrés très affables durant les longs mois que nous avons passés parmi les archives paroissiales.
