Parish History

In November 1919, a group of parishioners from St. Augustin Parish in Manchester led by Mr. Louis Lapointe asked their pastor – Father Joseph-Augustin Chevalier, to establish a French-speaking parish in south Manchester. This request was forwarded and favorably received by Bishop Georges Guertin, but many circumstances in the post World War I era delayed action. Since permission to form a parish needed to come from Rome, the Bishop could only authorize a mission church.

On October 3, 1923, Mrs. Leda Goulet returned to the Bishop with Father Charles E. Burque – the administrator of St. Augustin parish to plead for a French parish. His Excellency ordered a census of Franco families to be taken in south Manchester and within a week after receiving information, Bishop Guertin gave his permission to establish a mission church. The first Mass was celebrated on October 21, 1923 in a chapel constructed in the home of Mr. Louis Lapointe on Glendale Avenue. The 120 seats were filled to capacity, and every week thereafter, two Masses were celebrated and all of the furnishings (altar, vestments, communion rail, linens, etc.) came from the crypt at St. Augustin where Mass was no longer offered. Father Chevalier – when originally approached in 1919, purchased 4.5 acres of land at the corner of Calef Road and Mitchell Street – even donating \$1000.00 toward the purchase! In the summer of 1925, the new pastor of St. Augustin – Father Georges Demers, contracted to have a chapel built on Mitchell Street, and a solemn High mass was celebrated on Christmas Day 1925 in this new chapel. In October 1926, this new chapel was blessed and named “*Sainte-Therese de l’Enfant Jesus*” by Bishop Guertin, in honor of the canonization the previous year of Ste. Therese of Lisieux. A second story was added and Father Demers opened the first four primary grades in September 1927. The school was directed by the Sisters of Jesus Mary – who had been at St. Augustin since 1881.

Father Aime Boire became the third pastor of St. Augustin in August 1929. Despite being on the eve of the greatest economic Depression in modern history, Father Boire was able to maintain the church and the school. This mission parish continued to grow – with its first Confirmation on April 30, 1931, school enrollment at 160 students and more French-Canadian families in south Manchester. Father Boire agreed to renew the petition of Ste. Therese’s faithful for status as a parish to the Bishop. On October 3, 1934 – eleven years after Leda Goulet’s visit, Ste. Theresa Parish was established according to canon law as a French National Parish. This was on the feast day of the new parish’s patroness – the “Little Flower of Lisieux”. Ste. Theresa was the 8th and last parish to become independent of St. Augustin, and the 14th parish established in Manchester.

Father Louis Ramsay was named the first Pastor of the new parish, and served from October 3, 1934 to May 24, 1940. The first baptism at Ste. Theresa was that of John Joseph Roger Danais on October 14, 1934 and the first couple to be married was Napoleon Demers and Marie Rose Flourida Hemond on November 29, 1934. The Sisters of the Holy Cross replaced the Sisters of Jesus Mary in 1936.

Father Alpherie Lauziere served briefly as the second Pastor until November 8, 1941. According to Bishop Peterson, he was an "excellent administrator" who managed finances well, and he was able to pay off \$6500.00 in parish debt during his tenure. Bishop Peterson transferred him to Berlin to establish St. Joseph Parish.

Reverend Doria Desruisseaux became the third Pastor and presided over the parish until his retirement in 1967. During his tenure there, the parish saw continued growth in the number of families and the reduction of its debts. Perhaps his greatest legacy was the construction of the present church in 1955. Bishop Matthew F. Brady blessed the new church on September 6, 1956 and assisted at the solemn High Mass celebrated by Father Charles Burque- who inaugurated the original mission in 1921. The first baby baptized in the new church was Carol Claire Croteau on August 19, 1956 and the first marriage celebrated was on September 3, 1956 between Normand Proulx and Lillian Hemond. After the well-deserved retirement of Father Desruisseaux, Father Florent Bilodeau served as temporary Administrator until September 1967.

Father Raymond Desjardins became Pastor in September 1967 and remained until 1972. During his tenure, major reduction in the debt occurred. The first English Mass was celebrated, and due to declining enrollments and increased costs, the parish school was forced to close.

Father Fernand Croteau was named Pastor on October 4, 1972 and remained until September 8, 1976. His tenure was marked by a major renovation of the church and installation of a new marble altar, the sale of the convent – with all proceeds going to reduction of the parish debt, and the gift of a statue of Ste Theresa - which now marks the Adoration Chapel at Blessed Sacrament Parish.

Father Gerald Chalifour was named the new pastor in September 1976, and during his tenure, the parish sold land to the city of Manchester for the Ramsey House elderly apartments – named in honor of the first Pastor. The rectory was built and opened in 1980, and the parish celebrated its 50th anniversary in 1984. Father Marcel Allard served as Administrator for six months from December 1, 1983 to June 1, 1984 while Father Chalifour was on medical leave. Father Chalifour retired in 1985.

Father Robert Marchand served as Pastor from 1985 through 1997. He oversaw updating of the church sound system and installation of ceiling fans. Female altar servers were instituted in his tenure, and he was instrumental in organizing the 60th anniversary of the Parish.

Father Jean Lemay became the eighth pastor in June 1997 upon the retirement of Father Marchand. Many major tasks faced the Parish: declining census and revenues, major projects, and difficult financial decisions. Father had a handicap ramp installed at the church entrance, as well as an accessible bathroom to replace the crying room. He added a gathering space, and instituted a "Memorial Meal" ministry, and a "tithing" system. A Parish Nurse program was organized as well. Father Jean left the Parish on medical leave in 2003 and

Father John Bavaro, OFM – Pastor of Blessed Sacrament Parish, was named temporary Administrator.

By order of Bishop John McCormack, a committee was formed between members of Ste. Theresa and Blessed Sacrament Parishes to investigate the merger of these two parishes. The result of this committee's nearly year-long struggle was the difficult and emotional decision to close the physical church of Ste. Theresa and merge with Blessed Sacrament Parish as noted in Bishop McCormack's Decree dated July 8, 2004.

FROM THE PUBLISHER

Permission to copy all of St Theresa, Manchester, NH, sacramental records was granted by Father John **Bavarro**, OFM, pastor of Blessed Sacrament, Manchester, NH.

Copying the records is the most critical step in the process and requires many hours to complete because some of the early records are so fragile making it difficult to handle them. The parish records were copied with the helpful cooperation of Lisa Ann **Siraco**, Secretary, Constance Bernier **Hébert**, and James **Gaudet**.

We are grateful to all the volunteers who worked long, tedious hours to produce the repertoire you are holding. As you can see below, there are several phases of production that go into the making of a repertoire.

Photocopying Records: Constance Bernier **Hébert**, Lorette Gobiél **Leafe**, Robert **Neveux**, and Muriel **Normand**.

Data Entry: Marcel P. **Coté**, and Constance Bernier **Hébert**.

Proofreading: John **Cooke**, Lorraine L'Heureux **Huppe**, and Jean Guy **Sauve**.

Proofreaders Printouts and Data Corrections: Pauline Genest **Coté**.

THIS BOOK AND ITS CONTENTS

This *répertoire* contains 890 marriage records that took place from Nov. 1934–May 2003.

As is our policy when producing a marriage *répertoire*, we duplicate our database and reverse the order of the data in each record so that the primary person is the bride. These two databases are merged and sorted alphabetically. This, in effect, puts family groupings together and eliminates having to index the brides under their maiden name in the back of the book.

The surname of the father is not repeated when listing parents except in the case where a woman has been married more than once. If the maiden name is known, an asterisk is placed after the father's given name indicating that more information is noted at the end of the record. If there is doubt as to which name is a surname from a previous marriage, remember we enter the record in its original form leaving the researcher to determine a person's name at birth.

FROM THE PUBLISHER

Permission to copy all of St Theresa, Manchester, NH, sacramental records was granted by Father John **Bavaro**, OFM, pastor of Blessed Sacrament, Manchester, NH

Copying the records is the most critical step in the process and requires many hours to complete because some of the early records are so fragile making it difficult to handle them. The parish records were copied with the helpful cooperation of Lisa Ann **Siraco**, Secretary, Constance Bernier **Hébert**, and James **Gaudet**.

We are grateful to all the volunteers who worked long, tedious hours to produce the repertoire you are holding. As you can see below, there are several phases of production that go into the making of a repertoire.

Photocopying Records: Constance Bernier **Hébert**, Lorette Gobiél **Leafe**, Robert **Neveux**, and Muriel **Normand**.

Data Entry: Marcel P. **Coté**, Therese Lambert **Beaudoin**, and Maurice **Paquette**.

Proofreading: Richard **Côté**, and Lorraine L'Heureux **Huppe**.

Proofreaders Printouts and Data Corrections: Pauline Genest **Coté**.

Printing Master: Pauline Genest **Coté**, and Gerard **Savard**

Forward: Julie **Smith**

History: James **Gaudet**

THIS BOOK AND ITS CONTENTS

This *répertoire* contains 2093 baptism records that took place from Oct. 1934–June 2004.

Our policy when producing a baptism *répertoire* is to scrutinize each record during the proofing phase to be sure that we have not included any obvious private information such as illegitimacy or adoption. We do include all genealogical information contained in the records, i.e., parents, godparents, birth date if given, and all relevant marginal notes for marriage date, place and spouse.

It is also our practice to enter the data as it appears in the original document, however, if there are discrepancies that cannot be resolved as a transposition or typographical error, the researcher is encouraged to contact the parish priest to ask for permission to see the original documents. If, with all our data entry and proofreading experience, information cannot be deciphered, we leave the final choice to the user of the information.

FROM THE PUBLISHER

Permission to copy all of St. Theresa, Manchester, NH parish burial records was granted by Father John **Bavarro**, OFM, pastor of Blessed Sacrament, Manchester, NH.

Copying the records is the most critical step in the process and requires many hours to complete because some of the early records are fragile making it difficult to handle them. The parish records were copied with the helpful cooperation of Lisa Ann **Siraco**, Secretary, Constance Bernier **Hébert**, and James **Gaudet**.

We are grateful to all the volunteers who worked long, tedious hours to produce the repertoire you are holding. As you can see below, there are several phases of production that go into the making of a repertoire.

Photocopying Records: Constance Bernier **Hébert**, Lorette Gobiél **Leafe**, Robert **Neveux**, and Muriel **Normand**.

Data Entry: Therese Lambert **Beaudoin**.

Proofreading: John **Cooke**, and Lorraine L'Heureux **Huppe**.

Proofreaders Printouts & Data Corrections: Pauline Genest **Coté**.

Printing Master: Pauline Genest **Coté**, and Gerald **Savard**.

Forward: Julie **Smith**

History: James **Gaudet**

THIS BOOK AND ITS CONTENTS

This *répertoire* contains 726 burials that took place from December 1934 – July 6, 2004. However, there are 19 years of missing, misplaced or lost records: September 1978-July 1997.

Our policy when producing a burial *répertoire* is to extract as much genealogical information as possible from these records. Some records have very little information and others are brimming with genealogical data. It is not our policy to second guess a pastor's intent 100 years ago. When in doubt, we enter the record as we see it and leave the decision of usefulness to the researcher.

It is also our practice to enter the data as it appears in the original document, however, if there are discrepancies that cannot be resolved as a transposition or typographical error, the researcher is encouraged to contact the parish priest to ask for permission to see the original documents. If, with all our data entry and proofreading experience, information cannot be deciphered, we leave the final choice to the user of the information.
