St. Louis-de-Gonzague

Nashua, New Hampshire

The first Pastor, Rev. Louis **Girard**, arrived in May of 1871. He performed the first baptism in the newly founded Franco-American parish of St. Louis-de-Gonzague on 9 June 1871 in the rented St. Luke Episcopal Church.

In November of that year, Rev. **Girard** returned to his native St-Hyacinthe to return to his first love – teaching. The second pastor, Rev. Jean-Baptiste **Milette**, arrived to nurture and grow this new parish. The young and vigorous Father **Milette** wasted no time in beginning the construction of its first church on the plot of land that Rev. **Girard** had purchased and was now partially paid for. In June of 1873, the church was dedicated and the parish already numbered 2300 souls.

In 1875, the **Goodwin** home was purchased for the temporary parish residence. A plot of land was purchased in 1880 for the first parish cemetery. In 1883, the first combination convent-school was established. With a growing population and demand for another French-language church, Rev. **Milette** divided his parish in 1885. The area north of the Nashua River known as Indian Head received its founding pastor, Rev. Henri A. **Lessard** and the parish of St. François-Xavier began.

Between 1885 and 1901, the parish buildings were enlarged, re-built and renovated as the parish abounded in good fortune. Then began the great works of charity. In 1901, the St. Joseph Orphanage under the direction of the Sisters of Charity of Montreal was begun. In 1906, the 4th school was built known as Sacred Heart Academy and the construction of a Catholic Hospital began. In 1908, the new hospital was dedicated to St. Joseph. By 1915 we see the opening of an annex to the hospital. By 1909, Fr. **Milette** requested a second division of his parish to accommodate the

faithful east of Main Street and the Hudson village. Rev. J.A.G. **Jutras** was named pastor of the third Franco-American parish in Nashua, Saint-Enfant-Jesus.

On February 23, 1917, one year to the day of his golden jubilee, Msgr. **Milette** passed away.

In August of 1917, Rev. Julien **Richard** was appointed to succeed the Monsignor – not an easy task. He swept the parishioners along in his enthusiasm and progress in improving the parochial institutions. In May 1920, a complete restoration of the church was begun with the installation of a new **Cassavant** organ. In 1922, Bishop **Guertin** blessed the newly renovated church.

The now Bishop of Manchester, Rev. **Guertin** nominated Rev. Charles **Lacroix** as the 4th pastor of St. Louis, in September of 1929. His first endeavor gained him the support and enthusiasm of all the parishioners – a monument dedicated to Monsignor **Milette**. On Sunday May 25, 1930, the unveiling and blessing of the **Milette** Monument took place.

In June 1931, the clergy and the parishioners united to celebrate the 60th Diamond Jubilee of the parish. A magnificent bronze statue of St. Louis-de-Gonzague, six feet tall, was erected on the front of the interior tower of the Church. On March 29, 1934, Rev. Charles **Lacroix** succumbed to the stroke he suffered in January.

The 5th pastor, Louis Joseph Antoine **Doucet**, arrived on May 6, 1934. In April 1941, Monsignor **Doucet** celebrated his Golden Jubilee in the priesthood. Unfortunately, his dream of a third

division of the parish to serve the families around the hospital was not fulfilled. On May 31, 1945 Monsignor **Doucet** passed away.

In June 1945, Fr. Paul **Desaulniers** once again succeeded his good friend the Rev. **Doucet**. He had replaced Fr. **Doucet** at Saint Antoine in Manchester when the latter was assigned to St. Louis-de-Gonzague in 1934. His successes in maintaining the bilingual teaching schools were short lived. Fr. **Desaulniers** suffered a stroke to which he succumbed in March of 1950.

The 7th pastor of St. Louis-de-Gonzague, the Rev. Elphege L. **Bussièrè**, arrived from Holy Infant Jesus in Nashua on March 30, 1950. Following in his predecessor's footsteps, he was an apostle of bilingual Catholic teaching. With the approval of the ecclesiastical authority, he placed an addition on the Mulberry school to relieve the limited space of those students who were interested in pursuing their course and to free the basement of the Church.

In November 1955, the third division of the parish occurred with the creation of a new territorial parish, Saint Joseph in the West section of the parish. In 1957-58, he started the long-delayed interior decoration of the church. In the fall of 1963, Fr. **Bussièrè's** health began to fail. On January 4, 1964 the *bon Père* **Bussièrè** died peacefully in his rectory at the age of 75.

The 8th pastor of this church was Rev. Arthur J. **Dufour**, born in Cambridge, MA in 1902 but brought up in Manchester NH. In February 1964, Rev. Ernest J. **Primeau** appointed him pastor of St. Louis-de-Gonzague in Nashua. Within two years, this dedicated priest would be celebrating his appointment as Monsignor **Dufour**. In 1966, a fire destroyed Sacred Heart College. The parish committee studied plans to renovate Chestnut School or build a new

school. In September 1967, the 5th school was dedicated to the great joy and satisfaction of all the parishioners. In 1970, Msgr. **Dufour** felt it best for the parish to resign due to his ill health.

Father Lionel W. **Boulay** was nominated as pastor to St. Louis-de-Gonzague in April of 1970. He was elevated to the rank of Monsignor in December of the same year. Msgr. **Boulay** remained as pastor until 1972.

On 4 October 1972, Fr. Raymond **Desjardins** was named the 10th pastor of St. Louis-de-Gonzague. On 20 Jul 1976, the parish church burned. This historic building was replaced by the present building. The cornerstone on the new church was set in 1979. Rev. **Desjardins** remained pastor until June 1985 when Fr. Raymond **Laferrière** was named as the 11th pastor of St. Louis-de-Gonzague. He would remain pastor until September of 1991.

Fr. **Laferrière's** successor arrived in October of 1991. St. Louis' 12th pastor was Fr. Roland P. **Côté**. In August of 1993, St. Louis Parish welcomed Fr. Louis **Nhien**, and the Vietnamese Catholic Community of Greater Nashua to the parish. In October of 1994, the Portuguese-speaking community of Nashua left their church of Our Lady of Fatima on Ash Street to process into their new parish church of St. Louis. Fr. Antonio **Medeiros** ministered to them for the first year. In September 1995, Fr. John **Tiep** arrived to succeed Fr. Louis **Nhien** in ministering to the Vietnamese parishioners.

Rev. Richard **Dion** was appointed as the 13th pastor of St. Louis in June 2002. St. Francis Xavier church closed in the spring of 2003 and the records are at St. Louis-de-Gonzague in Nashua NH.

FROM THE PUBLISHER

St. Louis de Gonzague Church in Nashua, NH was copied by Kathleen **Pierce Pasko** with permission from their pastor, the Rev. Roland P. **Cote**. The task was monumental and might not have been completed as quickly as it was without the help of David **Hamel**, Pastoral Minister; Anna **Townsend**, Secretary, and the Rev. Eusebio F. **Silva**, Associate Pastor. Our appreciation goes to them for allowing us entry into their registers to begin our slow, tedious procedures to produce a *répertoire* that will be used both by the parish administrators and many genealogical researchers for generations to come.

We are grateful to all the volunteers who worked long hours in the production of the *répertoire* you are holding.

THIS BOOK AND ITS CONTENTS

This *répertoire* contains 10,695 burials which took place from February 1873 through March 2001 at St. Louis de Gonzague in Nashua, NH.

Our policy when producing a burial *répertoire*, is to extract as much genealogical information as possible from these records. Some records have very little information and others are brimming with genealogical data. The early records gave no place of burial. It would be wise to first check St. Louis Cemetery as it most likely is where they were put to rest.

There were cemeteries for St. Louis in Nashua – the old one was known as St. Aloysius and the new one as St. Louis de Gonzague. As all details are at the same place – St. Louis – we opted not to distinguish between the old and the new cemetery.

It is not our policy to second-guess a pastor's intent 60 or 70 years ago. When in doubt, we enter the record as we see it and leave the decision of usefulness to the researcher. It is also our practice to enter the data as it appears in the original document, however, if there are discrepancies that cannot be resolved as a transposition or typographical error, the researcher is encouraged to contact the parish priest to ask for permission to see the original documents.

There are several other publications for the Nashua/Manchester area available for sale also. Write to ACGS for a list of all our publications for sale, or check our web site. <http://www.acgs.org>
