FROM THE PUBLISHER

As a continuation in the process of getting permission from as many of the churches in the Albany/Schenectady area, David **Bonitatibus** asked for and was given permission to copy the records of **Our Lady of Grace in Ballston Lake, NY**. Father Anthony **Dacetis**, pastor of Our Lady of Grace, graciously received David.

Our gratitude extends to everyone involved in the production of this *répertoire*. Hundreds of volunteer hours were expended in the production of this genealogical aid. This end product also aids the support staff at Our Lady to perform the many tasks of the parish that require the handling of the original record books. In some way, these *répertoires* help to preserve the original registers.

Data Entry: David L **Bonitatibus** and Paul R **Lambert**.

Proof Readers: Theresa M **Bedard**, Lorraine R **Miville**, Claudia **Reaves** and Jean Guy **Sauvé**.

Proofreaders' Printout: Marcel P **Côté**. Data Corrections: Pauline **Genest Côté**.

Printer's Master: Pauline D **Cusson** and Pauline **Genest Côté**

History: David L **Bonitatibus**.

THIS BOOK AND ITS CONTENTS

This *répertoire* contains about 669 marriages that took place at Our Lady of Grace church in Ballston Lake, NY from September 1922 to June 1999. As is our policy when producing marriage *répertoires*, we duplicate our database and reverse the order of the data in each record so the primary person is the bride. These two databases are merged and re-sorted alphabetically which gives us 1338 entries. This, in effect, puts family groupings together and eliminates having to index the brides under their maiden name in the back of the book.

The surname of the father of the bride and the groom is not repeated when listing parents unless it is different than the spouse in the marriage, as can happen with women who have married more than once. As is the practice in Canada, women will be listed by their maiden name with a previous married name in parentheses. If there is doubt, we enter the record in the original format, leaving the researcher to determine a person's name at birth.

This book is the sole property of the **American-Canadian Genealogical Society** and cannot be reproduced in any form for resale.
