St. Alphonsus [St-Alphonse-de-Ligouri] Church Glens Falls, New York

The roots of St. Alphonsus reach back into the 19th century when large numbers of Canadians, attracted by the area's natural resources – lumber, quarries, water power - left their homes along the St. Francis and Richelieu rivers in the Province of Quebec for the Hudson and its growing mills and newly-established industries.

As devout French-Canadian Catholics, they attended "Irish" St. Mary's, but by 1853 when their number reached a few hundred, their longing for sermons in French reached out for help.

Thus in that year, a little wooden church was built for Father M. **Turcotte**, pastor of St. Jean Baptiste in Troy. For two years this devoted priest made regular trips to administer to the needs of the tiny congregation. In 1855, Bishop John J. **Conroy** named a resident pastor, Rev. Louis **Desroches**, who guided the fledgling parish for more than a decade, until 1866. St. Alphonsus was officially recognized by an entry in "New York State Census, 1855."

The second pastor, Rev. J.C. **Theberge**, 1866, was the first to have an assistant, Rev. C.F.E. **Bousquet**. Unfortunately, he was a sick man and only served 15 months, dying October 15, 1871. As though that wasn't difficult enough, Father **Theberge** died on December 10, 1871.

The third pastor, Rev. G. **Huberdeault** arrived in February of 1872. Within a short time, he established a mission at Hudson Falls for the French residents there, remodeling the old Baptist Church, a frame structure, into an attractive Catholic Chapel. This marked the birth of St. Paul's, whose first official document is dated October 31, 1872.

From 1875 to 1891, the steady growth of St. Alphonsus under Father Louis N. **St. Onge** clearly made the little wooden church obsolete, in spite of the addition of a balcony to increase its capacity. The congregation of 1600 souls, free of debt,

contributed generously to a building fund. At last on May 22, 1889, after a solemn mass celebrated by Father **Adam** of Hochelega, Montreal, Canada in the presence of priests from all over the diocese and the eager parishioners, Bishop Francis **McNierney** blessed the cornerstone and blessed the foundation walls. Sadly, Fr. **St. Onge** did not see its completion.

The fifth pastor, Rev. J.S. **Ethier**, bridged the 19th and 20th centuries and also made the transition from a little wooden church to the almost completed brick and stone edifice. Father **Ethier** was in step with the growth of Glens Falls and the needs of its people. Father **Ethier's** death coincided with the golden anniversary of the parish in 1905.

Father **Ethier** was succeeded by Rev. George **Lizé**. He worked tirelessly and supervised the building of a new rectory and school; the cemetery; and in 1927 the interior of the church. He retired in 1930 and died in 1940 in his native Batiscan, PQ but is buried in the Priests's Lot, in the cemetery where he had labored so effectively.

In 1930, the parish received its seventh pastor, Rev. Herman **Baillargeon** from Whitehall, NY. Because his long name was difficult for many to pronounce, he authorized the simple use of "Father B" as a term of address. Since only a fraction of the congregation was bilingual, the use of French as an official language was discontinued in his tenure. Illness plagued him constantly in his last years. He died in 1941 eleven years into his pastorate at St. Alphonsus.

The eighth pastor arrived in 1941 after a rather circuitous route. Rev. Paul A. **Leduc**, served his native parish of St. Joseph in Cohoes, NY after ordination for a brief two years before entering World War I as a Lieutenant, j.g. and serving as a chaplain aboard the USS Montana. He

then returned to St. Joseph parish for four years, but was transferred to St. Jean Baptiste in Troy where he served for nearly 20 years before being transferred to St. Alphonsus in 1941.

Under his leadership, improvements were made to the cemetery, repairs to church property, and recreational facilities for the youth were provided. By 1949, Father **Leduc** reported the parish to be free from debt for the second time in St. Alphonsus history. Unfortunately, the prospect of solvency would only last five years.

On January 12, 1955, within a terrible few hours, the fine old church was reduced to rubble by fire. Only the Blessed Sacrament was retrieved from the flames by the heroic efforts of the pastor, his two assistants and the Rev. William **Walsh** of Immaculate Heart of Mary in Hudson Falls. Within two years of this devastating fire, Fr. **Leduc** led and inspired the parishioners in a drive to see a new, modern third St. Alphonsus church dedicated on the original site.

In 1959, Father **Leduc** was elevated to the rank of Monsignor. At the same time, a convent was built to replace the one razed after the 1955 fire. At the time of his death on April 1, 1964, Monsignor **Leduc** had in mind another goal: to replace Father **Lizé's** 1908 school.

The ninth pastor, Rev. C. Henri **Tessier**, was promptly named to continue the priestly work at St. Alphonsus. Also a native of Cohoes, he was ordained in 1932, and taught in various Catholic high schools in the diocese until he entered the Military in 1943. Father **Tessier** followed in the footsteps of Msgr. **Leduc**, and enlisted as a chaplain in the Navy. After his return to the diocese, he was named Assistant at the Blessed Sacrament Parish in Albany. In 1951, he succeeded the Rev. **Surprenant** at St. Paul's in Hudson Falls, before arriving at St. Alphonsus on April 16, 1964.

The principal task at St. Alphonsus, in addition to the ordinary work of the priesthood, was to comply with Bishop **Scully's** request to build a new school. This was completed in 1967. By 1980 and

the 125th Anniversary of founding, this debt was reduced to \$45,000. Fr.

Tessier retired in 1982 and lived with family in Cohoes until his death on May 4, 1996.

He was succeeded by Father William M. **Bauer** who came to this parish from St. Ambrose in Latham, NY where he was an Associate Pastor. In 1981, he was assigned to St. Alphonsus as an Associate and became pastor in 1982 when Fr. **Tessier** retired. In 1987, Fr. **Bauer** became pastor at St. John the Baptist in Greenville, NY. He was succeeded by Father Joseph **Falletta** who arrived to serve as pastor until February of 1992 when he went on to St. Joseph in Scotia for a short time and then to Nativity of the Blessed Virgin Mary in Stuyvesant, NY.

Fr. Thomas **George** arrived in April of 1992 from St. Michael Archangel in Amsterdam, NY but only served the parish for a short time before resigning in February of 1993 when he left the priesthood.

Fr. Robert **Pawhida** arrived in March of 1993 and remained until April 1998 when he was transferred to St. Francis Assisi in Northville, NY. He was succeeded by Father George C. **Gagnon** who arrived from Notre Dame des Victoires in Whitehall, NY where he was Administrator.

Before arriving in Glens Falls, Fr. **Gagnon** had served in several parishes in the area: St. Joseph in Broadalbin, St. Mary's in Glens Falls, St. John the Evangelist in Schenectady, chaplain at Ellis Hospital, St. Columba in Schenectady, and the merged Sacred Heart/St. Columba.

Father George C. **Gagnon**, 72, passed away peacefully on Thursday, March 13, 2003 following a brief illness. Although he did not survive to see this repertoire in print, he was delighted in the knowledge that one of his pet projects of preserving this church's registers was close to being published.

FROM THE PUBLISHER

St. Alphonsus of Glens Falls, NY is one of 30+ churches being copied in the Albany diocese for the production of repertoires. We received permission to do this church several years ago from the late Father George **Gagnon**. Unfortunately, he did not live long enough to see this project finished. He was a strong advocate of indexing church records for the benefit of the parish and for genealogists. We did receive complete co-operation from the new Administrator, George **Forshey** and the two secretaries, Mary **Gebo** and Pat **Cokey Hebert**.

The important copying phase was begun by David **Bonitatibus** and Patricia **Draiss**. Much care must be taken when photocopying not to damage the records yet we must scrutinize each copy to be sure we have captured all the pertinent information. We are grateful to all the volunteers who worked long, tedious hours in the production of the *répertoire* you are holding.

THIS BOOK AND ITS CONTENTS

This *répertoire* contains 4,533 burials that took place from 8 Jul 1855 – 20 Aug 2003 at St. Alphonsus Church in Glens Falls, NY.

Our policy when producing a burial *répertoire*, is to extract as much genealogical information as possible from these records. Some records have very little information and others are brimming with genealogical data. It is not our policy to second guess a pastor's intent 60 or 70 years ago. When in doubt, we enter the record as we see it and leave the decision of usefulness to the researcher.

It is also our practice to enter the data as it appears in the original document, however, if there are discrepancies that cannot be resolved as a transposition or typographical error, the researcher is encouraged to contact the parish priest to ask for permission to see the original documents.
