St. Joseph Greenwich, NY

FROM THE PUBLISHER

In 2003, David L. **Bonitatibus** from Schenectady, NY received permission from Father Christopher **Welch** pastor of the St. Joseph in Greenwich, NY. David **Bonitatibus** and Kevin R. **Pemrick** started copying these records in sequence with other churches in the Adirondack area.

This is a critical step in the process and each requires many hours to complete. Each page is checked to be sure no information is omitted from the photocopy. Sometimes the early records are fragile from old age and must be handled very carefully.

We are grateful to all the volunteers who worked long, tedious hours in the production of the repertoire you are holding. As you can see below, there are phases of production that go into the making of a repertoire.

Data Entry: Jennifer **Premio Barrett**; David L. **Bonitatibus**; Kathleen [Kath] **Koza Grabo**; Margaret [Terri] **Meeks**; and Roger **Proulx**.

Proofreaders: Kathleen **Gallagher Brearton**; Kathleen **Koza Grabo**; and Sandra **Cussack Litz**.

Proofreader printouts; data corrections; and preparation of master database: Pauline **Genest Coté**

Printing Master: Gerry **Savard**

History: David L. **Bonitatibus**

THIS BOOK AND ITS CONTENTS

This *répertoire* contains 2,669 burial records that took place from December 1879 to October 2002. Many are duplicate records however, they contain different informative data. This may be the result of some church registers and cemetery records being combined.

Our policy when producing a burial *répertoire* is to extract as much genealogical information as possible from these records. Some records have very little information and others are brimming with genealogical data. It is not our policy to second-guess a pastor's intent 100 years ago. When in doubt, we enter the record as we see it and leave the decision of usefulness to the researcher.

If, with all our data entry and proofreading experience, information cannot be deciphered, we leave the final choice to the user of the information.
