

REPERTOIRE DES MARIAGES

DE LA PAROISSE

SACRE-COEUR

MASSENA, N.Y.

(1884-1983)

VARIATIONS DANS L'EPELLATION DES NOMS...

Ce relevé des mariages de la paroisse SACRE-COEUR de MASSENA, N.Y. tente de reproduire le plus fidèlement possible les données trouvées dans les registres de la paroisse même si bon nombre de noms canadiens sont devenus méconnaissables tellement ils ont été défigurés.

Pour faciliter la tâche du chercheur, nous reproduisons ci-dessous un certain nombre de ces noms défigurés avec ce qui nous a semblé être leur équivalence au Canada français. Cette liste n'est sans doute pas complète mais elle devrait être suffisante pour alerter le chercheur du problème qui existe dans la consultation de tels registres.

Une première liste vous présente d'abord les noms tels qu'écrits dans les registres suivis de la façon canadienne d'écrire ces noms; dans la deuxième liste, vous avez d'abord l'épellation canadienne des noms, en ordre alphabétique, suivie de l'épellation trouvée dans ces registres.
