Saint Joan of Arc Parish Menands, NY

The parish of St Joan of Arc, a mission of Sacred Heart of Jesus in the north end of Albany, was established in May of 1927 by Bishop Edmund F. **Gibbons** with Menands village limits as its boundaries.

Prior to 1927 Catholics residing in Menands attended either St. Brigit Church in Watervliet, NY or Sacred Heart of Jesus in the north-Albany area - a long walk for the people who lived in the "country area" of Albany.

Catholic children of Menands could not attend Sunday school in either of these of these parishes because of the distance. So, for many years they were taught by Miss Nellie **Caromody**, a village resident and a teacher in the Albany school system. She was permitted to use a classroom in the old Menands school for these Sunday school classes.

The property at Lyon Avenue was purchased in May 1927 from James **Archibald**, Grace **Allen** and Gertrude **Kemp** who were the surviving children of the late County Judge, James **Archibald**. The present rectory was the **Archibald** residence. It was moved from the center of the lot to the north property line to provide parking space and to give better access to the large stable in the rear. This stable was renovated to become the present church structure. The only alteration to the latter building was the construction of an entrance and vestibule in the front and a small addition in the rear to serve as a vestry. The restoration was begun in time for the celebration of the first Mass in the new church on December 8, 1927.

Father John **Murphy** was the first pastor and served until his death in February 1934, at the age of 44. The original trustees were Edward J. **Dignum** and Patrick F. **Clancy**.

Following the death of Father **Murphy**, his brother Father Robert C. **Murphy**, acted as administrator of the church until September 1934 when Father Edward T. **Reilly** was appointed Pastor. Father **Reilly** served until March 1936, when he was transferred to Troy. He was succeeded by Father John A. **McCarthy** who remained until his transfer to Hudson, NY in September 1940.

Father Thomas P. **Deignan** was appointed pastor in September 1940 and served for 22 years until his death on February 24, 1963 at the age of 75.

From May, 1960 until September, 1961, Father William **Cahill** served as assistant to Father **Deignan** and was succeeded in that post by Father R. Mansfield **Stark** who acted as administrator due to the failing health of the pastor. Father **Stark** was appointed pastor upon the death of Father **Deignan** and held that post until September 1968. During his administration many

improvements and repairs were made to both the church and rectory, and the splendid condition of the parish today is due largely to his efforts.

Father Edward **Gilmour** succeeded Father **Stark** in 1968 and remained at St. Joan until his transfer to Troy in November 1969.

The Rt. Father Monsignor Arthur J. **Reilly** became pastor on November 15, 1969 and served until his death in August 1975. Then in October 1975 Father George **Mailloux** was assigned until 1982. Father **Mailloux** was in charge of the building of the new and present church in 1981. Father **Mailloux** was also on hand for the parish's celebration of 50 years of service to the Catholic community of Menands, NY.

In 1983 Father John F. **Waldron** was appointed pastor until he was transferred to Our Lady of Mercy, Colonie, NY in 1989. That same year Father William F. **Jillisky** was assigned to St. Joan until his retirement in 2003. Father **Jillisky** was at St. Joan for its 75-year celebration in 2002 and retired the next year

Father Kofi **Ntsiful-Amissah**, who came to the U.S. in the mid-1970's has done a great job bringing all kinds of people from all walks of life together to pray and worship in one house. In April of 2005, because of a failing structure and lack of funds to rebuild, St. George Black Apostolate Church in Albany, NY closed its doors. Father Kofi was then assigned to St. Joan of Arc, as well as, Sacred Heart of Jesus in north Albany. Today the people from St. Joan and St. George thrive to make a better tomorrow.

FROM THE PUBLISHER

Permission to copy the sacramental records of St. Joan of Arc in Menands, NY was received in the summer of 2005. David L. **Bonitatibus** received permission from Father Kofi **Ntsiful Amissah**, pastor of St. Joan of Arc. Copying the records is the most critical step in the process and requires many hours to complete because the records must be checked page after page to be sure all information has been captured. This phase was done by David, Kathleen **Gallagher Brearton**, Kevin Martin **Pemrick**, and Lynne **Dignum Sisk**.

We are grateful to all the volunteers who worked long hours in the production of the repertoire you are holding.

THIS BOOK AND ITS CONTENTS

This *répertoire* contains Marriages, Baptisms and Burials. There are 3,484 marriages from Jun 1929 – Nov 2004; 1,032 baptisms from Oct 1927 – Aug 2005; and 617 burials from Oct 1927 – Sep 2005.

Our practice with marriages is to duplicate the data and sort males and females together by surname. The surname of the father is not repeated when listing the parents unless, as in the case of a woman marrying for the second or third time and her maiden name is not certain. If the father's name is given, we insert it in the record.

In the case of a repertoire of baptisms, we list godparents as well as parents. We are careful not to divulge adoption information or any record that indicates the father is unknown. If the child lives to adulthood and marries in the Catholic Church, the margin is so noted. That information is noted at the end of the record.

In the case of a burial repertoire, very little information is given most of the time. We extract only genealogical information from burial records.
