St. Mary Church Troy, New York

In the year 1830, shortly after the Catholics of Troy were organized and incorporated as the congregation of St. Peter's Church, young Peter **Havermans** was ordained a priest in the city of Ghent, Belgium by Bishop Van de Velde.

The significance of these two seemingly separate events was not apparent until twelve years later when the Dutch missionary embarked on his work in Troy as pastor of St. Peter's Church.

From that day - June 3, 1842 - until his death on July 22, 1897, Father **Havermans** was in the forefront of religious, social and progressive developments in Troy.

In a short time, he succeeded in liquidating the debt on St. Peter's and as the Catholic population rapidly increased, he became actively engaged in establishing the present St. Mary's parish. In 1844, he completely severed his connection with St. Peter's to give his undivided attention to St. Mary's, by then dedicated to the worship of Almighty God. Later he built St. Joseph's Church in South Troy and St. Francis on Ida Hill, but remained pastor of St. Mary's until his death.

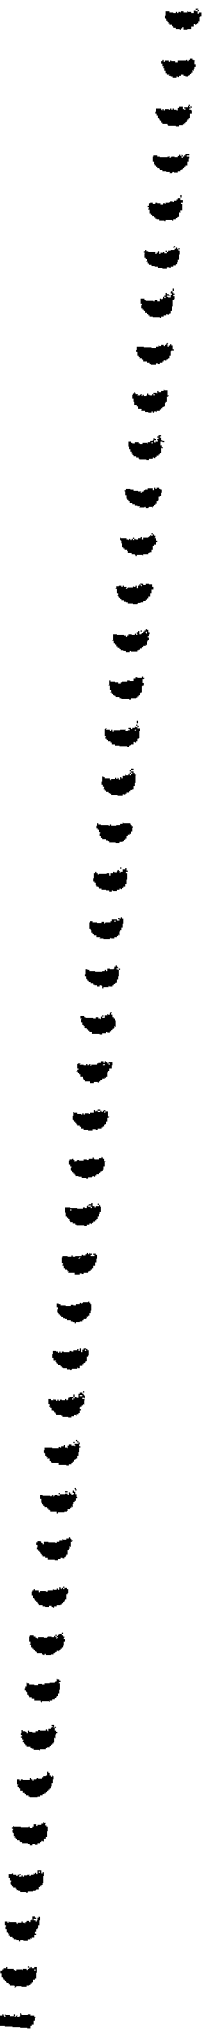

Truly a giant among men, Father **Havermans** faced death in the fever and epidemic of 1847 when he visited the cabins of poor emigrants and the sheds put up for the sick, spiritually ministering to his flock.

And during the Civil War's anti-draft riots of 1863, he braved a mob of 600 armed men, and through his courage and intrepidity turned them back from destroying the Presbyterian Church on Liberty Street, which had a black congregation.

On December 6, 1862, he acquired 39 ½ acres of land for St. Joseph's Seminary, thereby further developing and extending the catholic Church in Troy and increasing the religious orders, societies and associations he brought into the area.

In the more formal style of an earlier day, the 50th anniversary of Father **Havermans**' elevation to the priesthood also was commemorated at the closing exercises of St. Mary's Academy, Troy on June 28, 1880. The history of St. Mary's then, for more than its first half-century is the story of this remarkable figure in the life of Troy. Father **Havermans** and St. Mary's are inseparable.

Father **Havermans**' successor was the Reverend Dr. John F. **Lowery** of Cohoes, who had preached at both the first pastor's 50th anniversary and at his funeral. Father **Lowery** came to St. Mary's in October, 1897 and served until his death on December 22, 1914. He guided St. Mary's congregation to the erection of its handsome new granite church. In the summer of 1898 old St. Mary's Church was torn down and the basement of the new edifice erected. The cornerstone of

the superstructure was laid by the Most Reverend Thomas M.A. **Burke**, Bishop of Albany, on Sunday May 27, 1900 and as reported in the local newspaper, "is undoubtedly one of the finest churches in the diocese. When completed, it will have cost over \$300,000."

During the pastorate of the Reverend Francis A. **Greagan**, a new school building was begun in 1916. Unquestionably, the major accomplishment of Father **Greagan's** pastorate, which lasted only a little more than 3 years, was the building of the new school. Although his death on January 4, 1919 cut short his pastorate, he did have the satisfaction of seeing the new school finished and functioning.

Father **Greagan** was succeeded by Monsignor William P. **Fitzgerald**, pastor from 1919-1938. Monsignor **Fitzgerald** was succeeded by the Very Rev. James J. **Dasey**, pastor from 1938-1944. He was succeeded by Rt. Rev. Msgr. Joseph P. **Kelly** from 1944 - 1946. Most Rev. William A. **Scully**, D.D. was pastor of St. Mary's from 1945-1954. The Reverend Daniel H. **Markham** succeeded Fr. **Scully** and was the Pastor at the time of the 50th anniversary of St. Mary's School in 1967.

In December 1965, St. Mary's school children had another great privilege - that of participating in the parish celebration marking the 40th anniversary of the ordination of the pastor, Father **Markham** and remained at St. Mary's until 1969.

FROM THE PUBLISHER

In the February 1997, David L. **Bonitatibus** received permission to copy all of St Mary's sacramental records from Father Harry **Donaghy**, pastor. He was referred by the late Fr. Joseph **Robitaille** from St. Joseph of Cohoes, NY.

Copying the records is the most critical step in the process and requires many hours to complete because the records are so fragile making it difficult to handle them. This phase was done by David **Bonitatibus** and Nick **Pires Frois**. For this particular church we had to return to read and copy pages that were extremely poor. Our appreciation to Kay **Brearton** who volunteered and coordinated the entire phase of proofreading.

We are grateful to all the volunteers who worked long, tedious hours in the production of the repertoire you are holding. As you can see below, there are several phases of production that go into the making of a repertoire.

Data Entry: Kim **Beaudoin**, David **Bonitatibus**, Kay **Gallagher Brearton**, Walter & Theresa **Chase**, Gloria **Corlew Cooley**, Marcel P. **Coté**, Pauline **Genest Coté**, Joseph **Cumains**, Harriet **Eggleston**, Paul **Lambert**, Joan **O'Rourke**, Kevin M. **Pemrick**, Rev. Gilbert **Papineau**, Kelley **Patenaude Townsend**.

THIS BOOK AND ITS CONTENTS

This *répertoire* contains 9,790 marriages that took place from August 1844 – December 2006. As is our policy when producing a marriage *répertoire*, we duplicate our database and reverse the order of the data in each record so that the primary person is the bride. These two databases are merged and sorted alphabetically. This, in effect, puts family groupings together and eliminates having to index the brides under their maiden name in the back of the book.

The surname of the father is not repeated when listing parents except in the case where women have been married more than once. If the maiden name is known, an asterisk is placed after the father's given name indicating that more information is noted at the end of the record. If there is doubt as to which name is the maiden name and which name is a surname from a previous marriage, we enter the record in its original form leaving the researcher to determine a person's name at birth.
