INTRODUCTION

Our Lady of Good Counsel Church is located in the Phenix section of West Warwick, RI. It was originally a Mission of St. John the Baptist Church in the Arctic section of West Warwick, RI.

On September 17, 1897, land was transferred from St. John the Baptist Church to the Phenix Mission. This land had been purchased by Bishop Harkins from the Hope Manufacturing Company in 1891. The Mission would now be an independent parish composed predominantly of French speaking parishioners. It would take the name Notre-Dame du Bon Conseil. Reverend Jean D. Lebel was appointed its first pastor.

By 1900, the congregation had out grown their combined "church-school" and a new church building was planned. This would leave the old building to be used solely as a school. The architectural firm of Murphy and Hindle of Providence were selected to design the building and Eusebe Ouimette of Cranston, RI was chosen as the contractor.

On July 5, 1905 a parcel of land was purchased from Thomas O. Fletcher with the intent to build a convent. Father Lebel requested nuns from the Presentation of Mary Order in St. Hyacinthe, Quebec to staff the school and live in the convent.

In 1909, Father Lebel was transferred and Reverend Ernest B. Renaudet succeeded him. It was Father Renaudet who built the convent. Father Renaudet worked tirelessly for the people of Our Lady of Good Counsel but in 1913 he was suddenly claimed by death. On October 13, 1913, he was laid to rest in the front yard of the church he had served so well.

Reverend Gedeon Laverdiere succeeded Father Renaudet. He remained at Notre Dame until December 13, 1923 at which time he was transferred to Holy Family parish in Woonsocket, RI. Father Laverdiere had worked hard to raise money for a new church school.

Reverend Stephen Grenier became the parish's fourth pastor. Not only did he build the new school, but he also made many improvements to the church. Father Grenier dreamed of solid gold doors on the tabernacle because Christ should have the best. He challenged his congregation to donate gold jewelry and they responded overwhelmingly. Their jewelry was melted down and molded into beautiful doors for the tabernacle. What a wonderful gift the families had given to their church! Father Grenier was transferred in 1934 and his successor was Reverend Donat Lussier. Reverend Lussier was replaced in 1939 by Reverend J. Evangeliste Brunelle. Father Brunelle remained at Notre Dame until 1952.

Other Priests who served Our Lady of Good Counsel were: Reverend Francis X. Bouchard; Reverend Henri J. Laliberte; Reverend Oscar A. Guilbault; Reverend Joseph C. Charon; Reverend George Girouard; Reverend Thomas A. Trepanier; Reverend Donat A. Barrette; Reverend Raymond A. Tetreault; Reverend Bernard Lavin; and Reverend Paul R. Lemoi.

Over the years this wonderful church has undergone many changes and renovations. It has remained active and vital and serves a dedicated community of worshipers.

This brief history was written from material provided by Gerard Heroux in the form of a booklet prepared for the 100th anniversary of the church. The booklet was written by Gertrude Blais and Gerard Heroux. We thank Mr. Heroux for providing this information to AFGS.

A.F.G.S. is proud to present this latest edition in its growing collection of Franco-American resources. We have made every effort to present complete and accurate information. Various spellings should be checked when looking for a name. Records which were incomplete were checked with the many other records at our society. Please use this information as a starting point but always check the information with a primary source.

We extend a thank-you to: Yvette and Gerard Heroux and Suzanne DeStefano who copied the records; Suzanne DeStefano and Yvette Heroux who typed the records on their computers; Gerard Heroux and Lucile McDonald who edited the manuscript; Jan Burkhart who oversaw the project; Roger Beaudry who printed the books; Lucile McDonald and Lawrence Choiniere who collated and bound the books; and all the society members who volunteered their time to help complete the project. Every effort has been made to provide a clear, accurate tool for your use. Constructive criticism, additions and/or deletions may be sent to:

WHAT IS THE AMERICAN-FRENCH GENEALOGICAL SOCIETY?

The American-French Genealogical Society was formed in February of 1978 as a non-profit genealogical and historical society devoted to people of French Canadian extraction. Its purpose is to study and preserve the rich Franco-American heritage by assisting its members in discovering their ancestors and the daily events that shaped their lives.

The Society is actively involved in extracting, collating and publishing Franco-American vital statistics, parish registers, burial records, and other data consistent with the preservation of the Franco-American culture. From time to time French lessons are given. In addition the Society participates, along with 24 other genealogical societies, in the very successful New England Regional Genealogical Conference which is held every 18 months.

A.F.G.S. offers many other attractions. Weekly research sessions are held at our library in Woonsocket, RI each Monday from 11 pm to 4 pm; Tuesday from 1 pm to 9 pm; and on Saturdays from September to June. An annual business meeting and election of officers is held each October. A semi-annual publication, "**Je Me Souviens**", (written in English), is sent to each society member. This publication is 100 plus pages and is very informative. The Society also publishes six newsletters, "**AFGnews**", each year.

The A.F.G.S. library has more than 10,000 volumes devoted to history, family history, biography, reference, and birth, marriage and death statistics. A Research Committee comprised of experienced researchers is available to assist members who are unable to conduct their own research. The Loiselle, Rivest, Fabien and Forget Files are available to assist in the search for those particularly difficult marriages that may be eluding you. The Society also owns all four Drouin collections as well as the prestigious and unique Drouin Institute film which comprises all of the births, marriages and deaths recorded in Quebec and other French speaking parts of Canada through the year 1940. In addition, assorted microfilm from Canada, Vermont, Rhode Island, New Hampshire and Massachusetts are available for use in the library as well as the marriage records of Ontario through the year 1911 and the 1861 Census of Quebec. Our Lending Library service makes valuable resources available to members living far from Woonsocket and the library. A large collection of Franco-American marriage notices, anniversary announcements and obituaries has been gathered from across the country. (There are also projects that members across the country are helping the society to complete.) Our web page is very informative and we are on line so that other sources of information may be accessed while at the library.
