RÉPERTOIRE DE MARIAGES

PRÉSENTATION

L'ouverture des registres de la paroisse Saint-François-Xavier de Renfrew débute en 1852, c'est-à-dire dix ans après Notre-Dame d'Ottawa (1842) et 20 ans avant Notre-Dame-de-Grâce-de-Hull (1872). La paroisse de Saint-François-Xavier de Renfrew servait de mission pour un immense territoire qui allait de Arnprior au sud du comté de Renfrew jusqu'à Mattawa et Bonfield dans le moyen-nord de l'Ontario, et même jusqu'au Témiscamingue.

AVERTISSEMENT

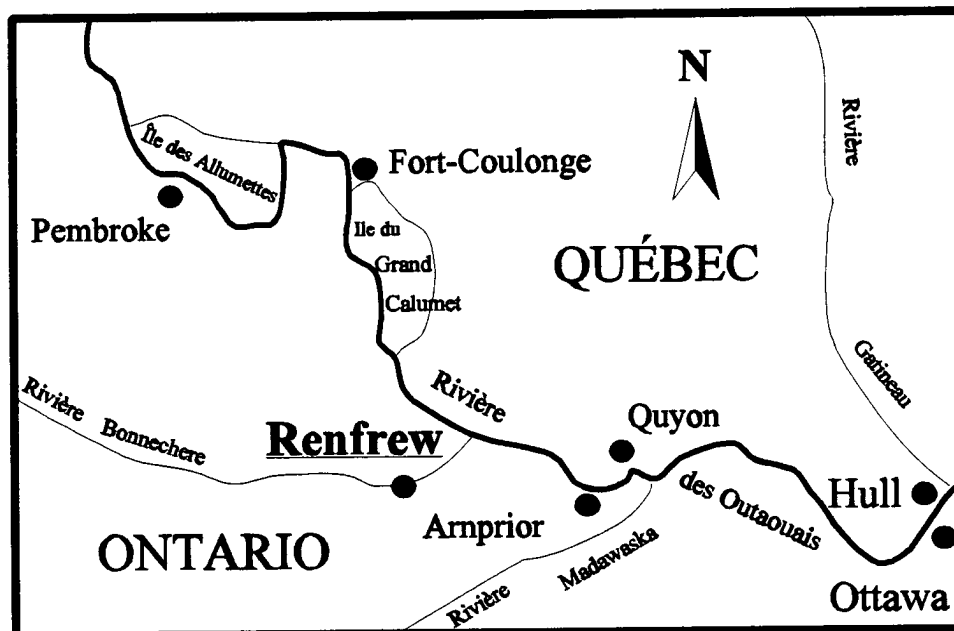

L'orthographe des noms irlandais surtout polonais est très difficile à interpréter, le premier curé était français et il fallait se fier à son bon jugement. Pour contourner ce problème je vous invite à vous référer à l'index, il semble avoir été fait par une autre personne et plus prêt de la réalité. Je vous demande beaucoup de persévérance et de courage avec les noms de familles, surtout polonais, irlandais et amérindiens.

Ce travail a été colligé à partir des microfilms #1137 et #1138, à la salle de recherches du Centre d'archives de l'Outaouais (Archives nationales du Québec). Édifice Jos-Montferrand, 17, rue Laurier, Hull (Québec).

Ceci est un instrument de travail, prière de transmettre tous les ajouts et modifications à l'auteur.
