**Message  
du secrétaire général. . .**

*La publication de ce Bottin des Anciens a été rendue possible grâce aux contributions des anciens élèves au Fonds Annuel des Anciens. Conséquemment, le bottin est envoyé à ceux-là qui ont fait un don minimum de dix dollars au fonds de l'année 1973-74.*

*Le Bottin des Anciens, version 1974, est le second à être publié par l'Association des Anciens. La première édition, en 1947, était l'oeuvre du Père Arcade Guindon, o.m.i., alors récemment nommé directeur du Secrétariat. Ce premier Bottin des Anciens contenait approximativement 4,250 noms, tandis que le Bottin actuel renferme une liste de pas moins de 24,971 noms d'anciens étudiants.*

*La publication de ce Bottin est le résultat d'efforts constants de la part du Comité Exécutif et du Secrétariat de l'Association des Anciens, qui acquiesçaient aux voeux faits explicitement par le Cercle des Anciens de Montréal.*

*Le Bottin a été préparé directement des registres de l'ordinateur, les diverses listes ont été imprimées à l'aide de bandes magnétiques.*

*Le but de la publication de ce Bottin est de favoriser les objectifs de l'Association, à savoir "renforcer les liens entre les Anciens et leur Alma Mater."*

*J'anticipe le plaisir de vous rencontrer, soit lors de la prochaine réunion de votre classe, de votre faculté ou de votre région, ou encore à l'occasion de rassemblements d'anciens étudiants et amis de l'Université d'Ottawa.*

*Sincèrement vôtre,  
Le secrétaire général  
H.-Olivier Pelletier, '51*

**From**  
**the Secretary General. . .**

*The publication of this Alumni Directory was made possible through the contributions of alumni to the Annual Alumni Fund. Consequently, the directory is mailed to those alumni who contributed a minimum of ten dollars to the 1973-1974 fund.*

*The 1974 Alumni Directory is the second one published by the Alumni Association, the first having been published in 1947 by Rev. Arcade Guindon O.M.I. who was then named director of the Secretariat. The first Alumni Directory contained approximately 4,250 names, the present directory lists 24,971 former students.*

*The Directory is published as a result of efforts of the Executive Committee and the Secretariat of the Alumni Association who were acquiescing to the demands made more specifically by the Montreal Alumni Chapter.*

*The Directory was prepared from computer records; the different lists were typeset directly from magnetic tapes.*

*The Directory is published to further the objective of the Association "to strengthen the bonds between alumni and their Alma Mater."*

*I look forward to seeing you at your next Class Reunion, your Regional or Faculty meeting, or wherever former students or friends of the University of Ottawa get together.*

*Yours sincerely,  
H.-Olivier Pelletier, '51  
Alumni Association*

## **Le bottin**

Le Bottin 1974 compte quatre sections. L'introduction décrit le Bottin lui-même, l'Association des Anciens et ses programmes, la chronologie de l'Université d'Ottawa, et l'Association des Anciens. Il contient également les énumérations des codes employés dans le Bottin: le titre, la faculté ou la spécialisation, de même que les codes de compagnies.

La deuxième partie est la liste alphabétique des anciens étudiants. Dans cette section, chacun des noms est suivi des grades, de l'année, de l'adresse résidentielle et du numéro de téléphone, de même que de la fonction en affaire, du nom de la firme employeuse, de l'adresse de cette dernière ainsi que du numéro de téléphone. Les noms des anciens décédés dont les registres sont encore à jour sont aussi inscrits dans cette section.

La partie géographique débute par la liste, par ordre alphabétique, des anciens étudiants vivant au Canada (par province et par ville) suivie de ceux qui demeurent aux Etats Unis (par Etat et par ville) enfin ceux qui résident dans d'autres pays (par pays et par ville). Chacun des noms est suivi du grade et de l'année de remise du diplôme quand cette dernière information peut-être obtenue.

La section "année" comprend la liste par année de collation des grades, et par ordre alphabétique, des anciens élèves vivants, dont les noms apparaissent sur les registres de l'ordinateur du Secrétariat des Anciens.

Les renseignements contenus dans ce Bottin proviennent des fiches du Secrétariat des Anciens, remises à date grâce aux formulaires-questionnaires complétés et retournés avant novembre 1974. Un avis de "changement d'adresse" ou une lettre expédiée au Secrétariat des Anciens, assurera la correction des erreurs sur les listes des Anciens. De tels avis peuvent être remarquées aux dernières pages de ce bottin ou dans toutes les publications du Bulletin des Anciens.

Ce Bottin ne contient pas le nom de chacune des personnes qui a fréquenté l'Université d'Ottawa, mais seulement les anciens étudiants qui ont complété deux années d'étude, ou ceux qui ont obtenu un diplôme quelconque à l'Université d'Ottawa. Ceux-là sont éligibles au titre de membre de l'Association des Anciens et leur nom est enregistré dans les filières du Secrétariat. Toute personne qui remplit les conditions d'admission ci-haut énoncées, peut-être inscrite sur les listes de membres, en avisant le Secrétariat des Anciens.

## The Directory

The 1974 Directory is divided into four sections. The foreword describes the Directory itself, the Alumni Association and its programs, the chronology of the University of Ottawa and of the Alumni Association. It also contains lists of codes used in the Directory: the degree, faculty or specialty and company codes.

The second section is the alphabetical listing of former students. In this section, each name is followed by degree(s) and year(s), home address and telephone number; business title, company name, address and telephone number. The names of deceased alumni whose records are available are also listed in this section.

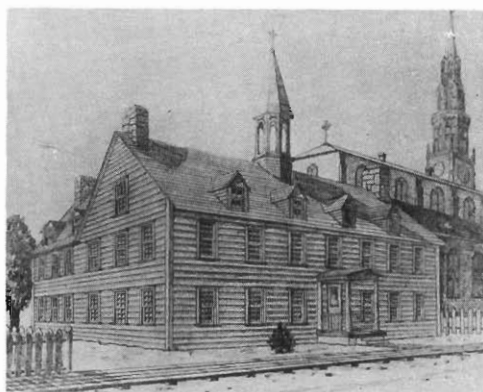

The geographical section begins with an alphabetical listing of former students living in Canada (by Province and City) followed by those living in the United States of America (by State and City) and those of other Countries (by Country and City). Each name is followed by degree(s) and year(s) of graduation when the information available.

The year section contains an alphabetical listing by year of graduation (where recorded) of those living alumni whose names are on the Alumni Secretariat's computer records.

The information in this directory was obtained from the Alumni Secretariat records updated from questionnaires completed and returned before November 1974. A "Change-of-listing Notice" or a letter returned to the Alumni Secretariat will ensure that any erroneous listing will be corrected. Such notices can be found in the last pages of this directory or in any Alumni News Bulletin.

This Directory does not list every person who ever attended the University of Ottawa. Only former students with active records on file with the Alumni Secretariat. All persons "formerly enrolled as a student for a period of not less than two years or having obtained a degree, diploma or certificate from the University of Ottawa" are eligible for membership in the Association. Anyone eligible for membership may be added to the rolls by simply notifying the Alumni Secretariat of his or her intent.

## Quelques propos sur

### vosre Association. . .

Les objectifs que poursuit l'Association des Anciens sont clairement énoncés dans la constitution, adoptée par le Conventum Général, en octobre 1969. Ces buts à atteindre sont:

- promouvoir les intérêts de l'Université d'Ottawa dans ses efforts continus pour devenir le reflet vraiment bilingue des aspirations culturelles et académiques des canadiens;
- resserrer les liens entre les Anciens et leur Alma Mater;
- contribuer à l'avancement de l'éducation supérieure; et
- entreprendre et poursuivre un programme de manifestations et d'initiatives propres à atteindre ces buts.

En appuyant ces objectifs, l'Association grandit à mesure que l'Université d'Ottawa progresse. Les activités de l'Association sont déterminés par les besoins propres à l'Université. De nouveaux programmes sont élaborés pour répondre à des conditions nouvelles.

Pour fins d'information, les activités courantes de l'Association sont énumérées plus bas. Nous espérons que vous découvrirez, à même cette liste d'activités, de nouvelles façons de servir l'Université d'Ottawa.

## A Word About

### Your Association. . .

The objectives of the Alumni Association are clearly spelled out in the constitution of the Association adopted by the General Conventum in October 1969. These objectives are:

- Promote the interests of the University of Ottawa in its continuing efforts to provide in Canada's capital a truly bilingual image of Canadian cultural and academic excellence;
- Strengthen the bonds between the Alumni and their Alma Mater;
- Contribute to the advancement of higher education; and
- Do all such things as are incidental or conducive to the attainment of the above objects.

To support these objectives, the Association grows as the University of Ottawa grows. The programs of the Association are determined by the timely needs of the University. New programs are developed to meet new needs. Current Association programs are listed below for your information. We hope you will discover new ways to serve the University of Ottawa in this list of programs.

- **Faculty Funds.:** Each year the Association provides each dean with an emergency fund, called the Curriculum Develop-

- **Le fonds des facultés.** A chaque année, l'Association fournit un fond de secours, à chacun des doyens, afin de promouvoir et de secondier ses programmes dans des domaines où les subsides provinciaux ne sont pas applicables.

- **Réception à la Collation des grades.** Avant le banquet et le bal de la Collation des grades, l'Association offre une réception annuelle en l'honneur des "nouveaux Anciens".

- **Fonds Annuel des Anciens.** Il n'existe pas de cotisation à l'Association des Anciens. Chaque dollar recueilli comme don est acheminé vers différents projets mis sur pied par l'Association. Les anciens élèves reçoivent tous annuellement la première lettre de sollicitation au Fonds. Aussitôt le don reçu, le nom du donateur est retranché de la liste, afin d'éviter une seconde sollicitation, au cours de la même année. Des reçus pour fins d'impôt sont émis à chacun des donateurs.

- **Fiches des Anciens.** Les fiches biographiques enregistrées sur ordinateur comprennent plus de 25,000 noms d'anciens étudiants et sont mises à jour pour l'Université d'Ottawa par le truchement du Secrétariat des Anciens. Selon le processus de la mise à date, à savoir où demeurent les Anciens, ce qu'ils font et où ils oeuvrent, les changements se font à un rythme d'environ 12,000 par année. Plus de 3,000 nouveaux diplômés s'ajoutent annuellement à ces listes.

ment Fund, to support and promote his programs in areas where the province appropriated monies are not available.

- **Graduation Reception.** A reception, prior to the Graduation Banquet and Ball is sponsored by the Association in order to honour each year the newest Alumni.

- **Annual Alumni Fund.** There are no dues to the Alumni Association. Every dollar raised through gifts goes to the different projects supported by the Association. Every former student is sent the first Annual Fund Solicitation. As gifts are received, each contributor's name is deleted from further requests that year. Receipts for income tax purposes are issued for each donation.

- **Alumni Records.** Computerized biographical records on over 25,000 former students are maintained for the University of Ottawa by the Alumni Secretariat. In the process of keeping up with where alumni are, what they are doing, and who they are doing it for, some 12,000 record changes are made every year. Over 3,000 graduates are being added to these computer records every year.

- **"OTTAWA" Bulletin des Anciens.** Publié tous les trois mois, le Bulletin des Anciens est bilingue et de format tabloïd. Il met en relief aussi bien l'Université et les activités de l'Association en général, que des nouvelles concernant individuellement les diplômés. Cette publication est adressée à tout ancien dont le Secrétariat possède l'adresse. L'annonce commerciale qui y est insérée aide à défrayer le coût du Bulletin, on peut obtenir les taux de ces annonces en s'adressant au Secrétariat.

- **Étiquettes postales et listes d'ordinateur.** Les cercles régionaux et les exécutifs de classe peuvent se procurer les étiquettes et les listes d'ordinateur, cependant ces items ne peuvent être obtenus pour fins commerciales ou politiques.

- **Réunions de classe.** Les liens créés sur le campus entre les confrères d'une même classe sont resserrés grâce aux réunions de classe.

- **Le Conseil Général.** Le Conseil Général est composé de trente (30) administrateurs élus par le Conventum Général, ainsi que les présidents des cercles régionaux et des cercles de faculté. Le Conseil Général se réunit deux fois l'an.

- **Les Bourses.** Le comité des bourses de l'Association des Anciens remet, chaque année, des bourses d'une valeur de \$100.00 ou plus, à autant d'étudiants dans le besoin que le fonds spécial des Anciens de l'Université le permet.

- **"OTTAWA" Alumni News.** Published quarterly, the Alumni News, a bilingual tabloid, features the University and Alumni activities as well as news about individual graduates. The publication is sent to every alumnus whose address is valid. Advertising is carried in "OTTAWA" to defray publication expenses. Advertising rates are available from the Association office.

- **Mail Labels and Computer Listings.** Alumni chapters, class executives can request mailing labels or computer listings of their constituents. Mailing labels and tapes are not available for commercial or political purposes.

- **Class Reunions.** This program maintains the ties of fellowship with classmates which had their origin on campus.

- **General Council.** This, the governing body of the Association meets twice a year on campus. The Council is composed of thirty (30) officers and directors elected by General Conventum together with the Presidents of the recognised Regional and Faculty Chapters.

- **Scholarships.** The Alumni Association through its Scholarship Committee grants, each year, bursaries of \$100.00 or more to as many needy and deserving students as the special University of Ottawa Alumni Scholarship fund will allow.

- **Emergency Financial Aid.** The office of Financial Aid Services, allows short-term loans to \$200.00, from the Alumni Association's "Student Financial Aid Fund" to those students requiring emergency aid. In 1973-74, \$29,060.00 was loaned to 178 needy students.

- **Aide financière d'urgence.** Dans des cas jugés urgents, le bureau des Services d'aide financière consent des prêts à court terme jusqu'à concurrence de \$200.00 grâce au fonds d'aide financière aux étudiants de l'Association des Anciens. Durant l'année 1973-74, \$29,060.00 ont été prêtés à 178 étudiants dans le besoin.

- **Le Bottin des Anciens.** Publié pour la première fois depuis 1947, ce bottin est remis aux donateurs d'un don minimum de \$10.00 au Fonds Annuel 1973-74. Nous avons l'intention de publier un tel bottin à tous les trois ans, ceci aurait pour effet de le rendre rentable. La vérification et la mise à date de l'information contenue dans ce bottin requiert six mois de travail, tandis que trois autres mois sont nécessaires à l'imprimerie et à la reliure. L'Association fait figure de pionnière au Canada dans la publication d'un tel ouvrage par le moyen d'ordinateurs. Le Bottin 1974 contient plus d'information que tout autre bottin d'Anciens, au Canada.

- **Comité Exécutif de l'Association.** Élu lors du Conventum Général tenu tous les trois ans, le comité exécutif reçoit les avis, les décisions et les règlements soumis de temps à autre par le Conseil général; il dirige les activités régulières de l'Association. L'Exécutif est formé des co-présidents, des co-présidents sortant de quatre vice-présidents, d'un secrétaire, et de trois directeurs ou plus.

- **Les Anciens.** Toute personne ayant reçu un diplôme, ou ayant étudié à l'Université durant au moins deux années académiques, est éligible à faire partie de l'Association des Anciens de l'Université d'Ottawa. Vous pouvez aider l'Association par les moyens suivants:

En faisant parvenir à l'Association des nouvelles de vous-même, de votre famille, de vos confrères et de leur famille. En avisant l'Association, aussitôt que possible, de tout changement d'adresse ou de travail, de promotion, mariage ou naissances. Ne présumez pas que quelqu'un d'autre envoie un tel avis.

- **Alumni Directory.** Published for the first time since 1947, this directory is given to those donors who made a minimum gift of \$10 to the 73-74 Annual Fund. The intention is to publish a new directory every three years, this would render it financially sound. Verifying and updating information for the directory takes 6 months. Printing and binding take another 3 months. The Association is a pioneer in Canada with computer type-setting this edition. The 1974 directory includes more information than any other alumni directory in the country.

- **Association Executive Committee.** Elected during the General Conventum held each three years, the Executive Committee, subject to such instructions, decisions or regulations which the General Council may promulgate from time to time, governs the day to day activities of the Association. The Executive is made up of the Co-Presidents, the immediate past Co-Presidents, four Vice Presidents, a Secretary, three or more Directors-at-large.

- **Alumni.** Every person who graduated, every person who left after having spent two years as a student, represents the University of Ottawa Alumni Association. You can help the Association by:

Sending news of yourself and your family, classmates and their families to the Association. Let the Association know immediately of address change, job change, promotion, marriage, and babies. Don't assume someone else sent a notice.

Contribuez régulièrement au Fonds Annuel. Que vos dons soient en proportion de ce que l'essor et le progrès de l'Université d'Ottawa ont fait dériver sur vous et sur d'autres Anciens.

Soyez au courant des activités du campus. Rendez-y visite aussi souvent que possible, afin d'être témoins du fonctionnement journalier d'une grande institution éducationnelle. Vous vous rendrez vite compte que cette institution opère sur une base à la fois scientifique et moderne. Vous y trouverez les étudiants du premier cycle de même que ceux qui sont gradués, les étudiantes à tous les niveaux, les étudiants à temps complet et ceux à temps partiel. En résidences, ils sont originaires de l'Ontario, du Québec et des autres provinces, de même que de nombreux pays au monde.

Lisez "OTTAWA" le Bulletin des Anciens. Renseignez-vous sur ce qui se passe sur le campus. Vérifiez la section des Cercles régionaux pour savoir ce qui s'y produit. Soyez au courant des domaines où l'Université d'Ottawa prédomine. Les compte-rendus des réunions de classe vous transmettront les activités de vos confrères.

Contribute on a regular basis to the Annual Fund. Contribute in an amount equivalent to the good you think you and others derive from the growth and progress of the University of Ottawa.

Keep up with the campus. Visit as often as possible and see a great educational institution in operation. It is truly a sophisticated, scientific institution. The student body made up of undergraduates and graduates, coeds, day students, part time students, and dormitory students hails from Ontario, Quebec and other provinces and countries around the world.

Read the "OTTAWA" Alumni News. Read about what's going on on a campus. Check the Chapter section for the waves your Chapter is making. Check for Research, to see where the University of Ottawa is out front again. Check the Classes section for what your friends are doing.

Soyez présents sur le campus lors du Conventum Général. Suivez avec assiduité les réunions de votre Cercle Régional et de votre classe.

Attend the General Conventum on campus. Attend the meetings of the Chapter nearest your home. Attend your Class Reunions.

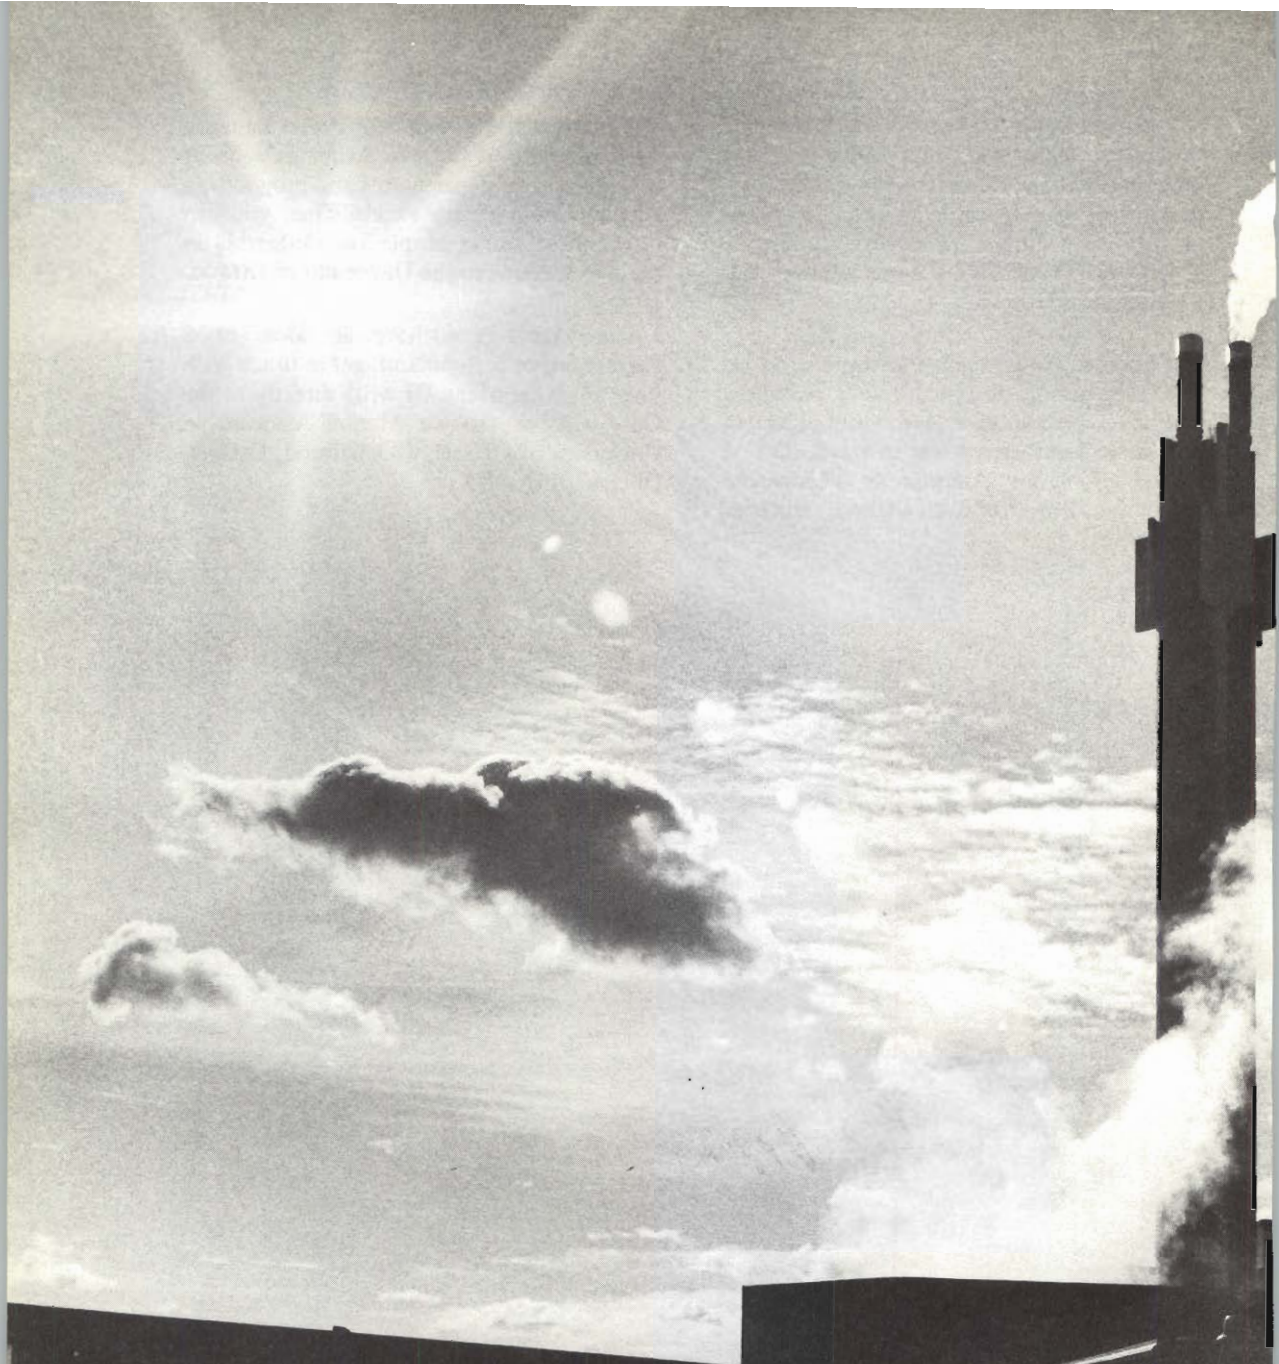

Parlez aux jeunes de l'Université d'Ottawa. Renseignez-vous, vous-mêmes, sur les facultés, les départements et les programmes, où l'Université excelle. Vous pourrez alors diriger ces jeunes avec plus de doigté vers l'une des options offertes par l'Université d'Ottawa.

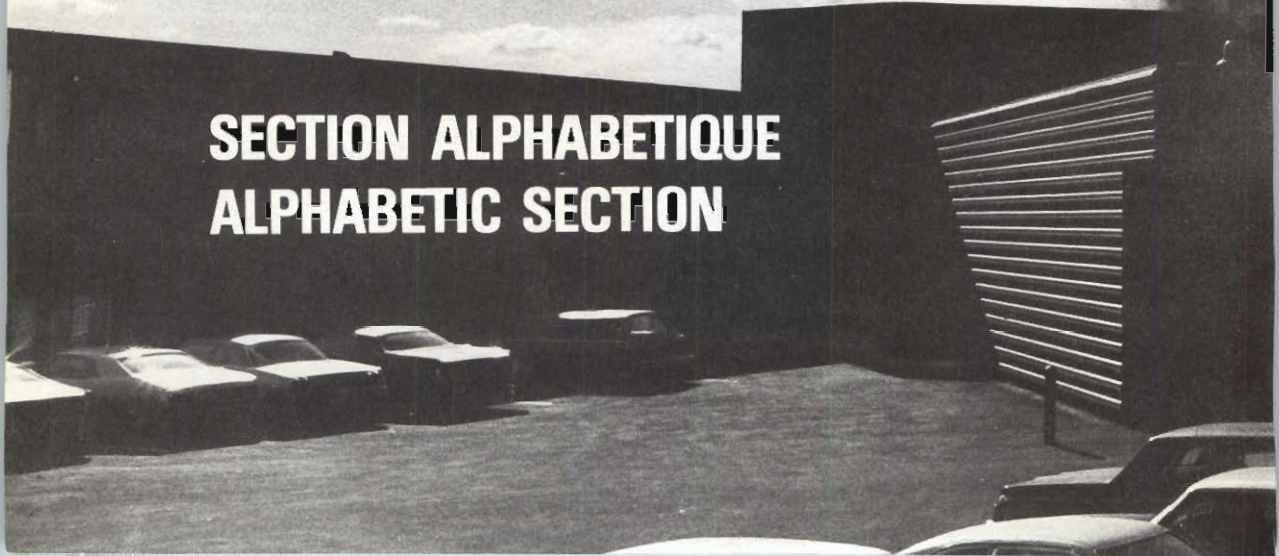

Lorsque vous avez une inspiration ou une suggestion, ou encore une plainte à formuler, communiquez avec votre président de classe. Vous êtes même invités à écrire à l'Association des Anciens de l'Université d'Ottawa, 143 Wilbrod, Ottawa, Ontario, K1N 6N5

Interest the young people you know in the University of Ottawa. Acquaint yourself with the many departments and programs in which the University excels. Then you can direct these young people knowledgeably in their best route to the University of Ottawa.

Anytime you have an idea, or a suggestion, or a complaint, get in touch with your Class President. Or write directly to the University of Ottawa Alumni Association, University of Ottawa, 143 Wilbrod, Ottawa, Ontario. K1N 6N5.
